PRESS RELEASE N° 00000054/C/MINDDEVEL/SG/PROLOG/UGP/SPM/2026 OF 23 NOV 2026

Publishing the results of General Call for Expressions of Interest No. 00054/AGMI/MINDDEVEL/PROLOG/UGP/SPM/CA-SPM/2026 of 21 July 2026 for the prequalification of enterprises for the restricted tenders under the second funding cycle for the investments of the North-West Regional Assembly

The National Coordinator of the Local Governance and Resilient Communities Project (PROLOG) hereby informs the public, and in particular the enterprises that expressed interest for the North-West Region, of the results of General Call for Expressions of Interest (GCEI) No. 00054/AGMI/MINDDEVEL/PROLOG/UGP/SPM/CA-SPM/2026 of 21 July 2026. This GCEI sought to preselect enterprises interested in carrying out climate-resilient inter-municipal infrastructure in the Adamawa, East, Far North, North, North-West and South-West Regions for fiscal years 2026 and 2027.

For the North-West Region, the applications were reviewed by the Ad Hoc Evaluation Commission established by Decision No. 00000120/D/MINDDEVEL/PROLOG/SPM/ASPM of 19 August 2026, chaired by the Representative of the President of the North-West Regional Assembly. The Commission examined 81 applications from forty-one (41) enterprises and joint ventures for the six (06) sub-projects of the Region. Its revised evaluation report was signed in Bamenda.

Applications were subject to a verification of the minimum eligibility conditions and to a technical evaluation out of 100 points, with an eliminatory threshold of 70 points.

The Commission revised its report following the review of the Project Management Unit (PMU). In the revised report, eligibility is assessed solely against the eleven (11) minimum eligibility conditions of the GCEI; the additional conditions applied in the first version, in particular proof of a contract executed in the socio-political context of the North-West Region, are no longer applied. The technical scores have been recalculated on the estimated works cost of each sub-project.

Accordingly, the enterprises and joint ventures listed below are declared prequalified. Each is entered on one or more of the six (06) shortlists below, for a total of twenty (20) entries concerning seventeen (17) enterprises and joint ventures. These shortlists concern the sub-projects financed for the North-West Regional Assembly under the second cycle of the RCSG window.

Sub-project No. 1 - Construction and equipping of the Rehabilitation Centre in Bamenda - 3 enterprises

No.	Company name
1	BETERMAN SARL & ESSOKA GROUP JV
2	AFUHCAM ENGINEERING COMPANY LIMITED
3	ETS JUBUS CONSTRUCTION

Sub-project No. 2 - Improvement of infrastructure and equipment at GTHS Elak (Oku) to enhance teaching and learning conditions - 3 enterprises

No.	Company name
1	PRECIOUS ENGINEERING CONSULTS ETS
2	T-BRIGHT SERVICES
3	WALLY CONSTRUCTION

Sub-project No. 3 - Reconstruction and equipping of GTHS Alabukam - 3 enterprises

No.	Company name
1	AFUHCAM ENGINEERING COMPANY LIMITED
2	JV DREAMLAND CONNECT & ETS ANUTEMEH JOHNSON FRU
3	ETS NJEH

Sub-project No. 4 - Rehabilitation, extension and equipping of GTHS Njinikom - 4 enterprises

No.	Company name
1	SHEDEX GLOBAL
2	TWINLEX LTD
3	DECENT HIGHLAND ENTERPRISE
4	MAGNITE COMPANY LTD

Sub-project No. 5 - Construction and equipping of a surgical unit at Mbengwi District Hospital - 3 enterprises

No.	Company name
1	PRECIOUS ENGINEERING CONSULTS ETS
2	T-BRIGHT SERVICES
3	ANYAH GROUP LTD

Sub-project No. 6 - Construction and equipping of an emergency unit and private wards at Wum District Hospital - 4 enterprises

No.	Company name
1	LAKE NYOS SURVIVAL CO. LTD
2	ETS ATTIASON AND SONS ENTERPRISE
3	SWIFT CONSTRUCTION ENTERPRISE - eligible subject to condition (*)
4	GENERAL BUILDING & CONSTRUCTION LTD

(*) Adjustment made by the Project Management Unit: SWIFT CONSTRUCTION ENTERPRISE (score of 87/100 on sub-project No. 6) had been declared not eligible by the Commission solely because point 7 (acceptance of the World Bank anti-corruption/anti-fraud clauses) was not covered in its integrity declaration. On the basis of the observations of the PMU, this omission is considered capable of being remedied. The enterprise is therefore entered on the shortlist for sub-project No. 6, subject to the production of a complete integrity declaration, covering all the required commitments, before the invitation to bid; failing this, it will not be invited.

The North-West Regional Assembly, as Contracting Authority, will launch the restricted tenders. Prequalified enterprises will be invited to submit technical and financial bids only for the sub-project(s) for which they are shortlisted. Prequalification does not constitute the award of a contract, nor any commitment by PROLOG or the North-West Regional Assembly.

Contract award cap: at the end of the restricted tenders, no single enterprise may be awarded more than two (02) contracts out of the six (06) sub-projects covered by this press release. This cap also applies to contracts won as a member of a joint venture. The tender documents will set out how this rule is applied, in particular where a bidder ranks first on more than two sub-projects.

In accordance with the GCEI, remaining on the shortlists is subject to the following conditions:

- the results of the visit to the enterprises' offices, sites and facilities, which verifies their actual human and material capacities;
- the authenticity of the documents submitted;
- for SWIFT CONSTRUCTION ENTERPRISE, the production of a complete integrity declaration before the invitation to bid.

Any false declaration or forged document will lead to the exclusion of the enterprise concerned, at whatever stage of the procedure it is detected. The sanctions provided for by the regulations in force and by the World Bank Guidelines will then apply.

Unsuccessful applicants may obtain the reasons for the rejection of their application. To do so, they must send a written request to the PROLOG North-West Regional Coordination Unit in Bamenda within [3] working days of the publication of this press release.

This press release will be published wherever necessary and posted at the headquarters of the North-West Regional Assembly and at the PROLOG North-West Regional Coordination Unit.
