Article 11: DOCUMENTS TO BE FURNISHED BY THE CONTRACTOR

- a) Within a maximum deadline of *fifteen (15) days* from the date of notification of the Administrative Order to commence execution, the Contractor shall submit in *six (6) copies* for the approval of the *project owner after the endorsement of the Contract Engineer* the execution programme of the works. This programme shall be exclusively presented according to the furnished models.

Two (2) copies of these documents will be returned to him within a deadline of fifteen (15) days from the date of reception with:

- Either the indication "GOOD FOR EXECUTION";
- Or the indication of their rejection including the reasons for the said rejection.

The Contractor has eight (8) days to present a new draft. The Contract Manager or the Project Manager then has a deadline of five (5) days to give his approval or possibly make comments. Delay in approving the draft execution schedule shall stay the execution deadline.

The approval given by the Project Owner does not in any way release the Contractor of his responsibilities. Meanwhile, works executed before the approval of the programme shall neither be ascertained nor paid for. The updated and approved schedule will become the Contractual schedule. The Contractor shall constantly update on site, a schedule that will take account of real progress of the site. Significant modifications may only be made on the Contractual programme upon receiving the approval of the Project engineer. After approval of the execution schedule by the Contract Manager, the latter shall transmit it within five (5) days to the Delegated Contracting Authority without staying its execution. However, if important modifications alter the objective of the Contract or the nature of the works, the Delegated Contracting Authority shall return the execution schedule accompanied by reservations to be lifted within fifteen (15) days of the date of reception.

Article 12: RECEPTION OF WORKS

12.1 Technical Reception

Before the acceptance of the works the Contractor shall ask in writing to the Contract Engineer, to organize a technical visit for pre-acceptance. This visit shall include the following operations.

- Qualitative and quantitative evaluations of the different supplies that have been executed.
- Findings and statement of the unexecuted task envisaged in the present contract.
- Findings relative to the completion of the supplies
- Findings on the quantity of supplies that have been effectively realized

These operations shall be subject to a site report drawn up on the field, signed by the following.

- Contract Engineer,
- RD MINMAP-NW
- Contractor.

During this pre-reception, the Engineer shall eventually specify the reserves to be lifted and the corresponding works to be effected before the reception. The Engineer shall fix the reception date in collaboration with the Contract Manager.

12.2 Final Reception

Before the Final acceptance of the works, the Contractor shall ask in writing to the project owner with attachments of the technical Reception report, to organize a site visit for Final acceptance. The operations of this visit shall be the same as that of the technical Reception.

The Project Owner or Contract Manager shall fix the date for the Final reception of the supplies to be effected in the presence of the contractor by a commission composed of:

- The Delegated Project Owner (The Governor of North West Region) or His Rep..... Chairman
- The Contract Manager (RD-MINEFOP-NW) or Rep..... Member
- The Contract Engineer (RD-MINDCAF-NW) or Rep.....Secretary

- The Regional Delegate MINMAP-NW or His Rep.....Observer
- The Contractor..... Observer
- The Stores Account at RD/MINEFOP North West..... Member

They shall cross-check the conformity of the supplies with the prescriptions of the Jobbing Order and will decide whether there are grounds to rule in favour of acceptance.

Where the supplies do not conform, the contractor shall be requested to correct them and call for a technical reception team for up-liftmen of reserves at his own cost.

Where the supplies conform, the commission shall rule for acceptance. An acceptance report will then be prepared and shall be signed by all the members of the commission and the contractor. Such report shall be drawn up to highlight that the Jobbing Order has been executed in compliance with the contractual clauses.

Article 13: GUARANTEE

The cost of the usual commercial guarantees outlined in the general clauses for any defect or early alteration of the supplies shall be borne by the contractor within a period of six **(06)** months from the date of reception.

Article 14: INSURANCE

Hazards of whatever nature during realisation of the supplies must be covered by an insurance policy taken by the contractor.

The Project Owner or Contract Manager must be freed from all obligations.

The insurance must represent 110% (one hundred and ten percent) of the CIF value, including war and strikes, in a freely convertible currency. The beneficiary is The **Regional Delegate of Employment and Vocational Training, (MINEFOP-COSUP) of the North West Region**

Hence, we hereby affirm that on behalf of the Contractor, we guarantee and are responsible to the Project Owner for a maximum amount of _____

[in figures and letters] corresponding to *[percentage below 10 % to be specified]* of the Contract price.

And we pledge to pay to the Project Owner within a maximum deadline of eight (8) weeks upon his simple written request declaring that the Contractor has not fulfilled his Contractual obligations or is indebted to the Project Owner within the meaning of the Contract, amended where need be, by its additional clauses, without being able to defer the payment nor raise any contest for whatever reason, any sum(s) within the limits of the amount equal to *[percentage below 10 % to be specified]* of the total amount of the works featuring in the final detailed account, without the Project Owner having to prove or give the reasons nor the motive for the amount of the sum indicated above.

We hereby agree that no change or addendum or any other amendment shall release us of any obligation incumbent on us by virtue of this bond and we hereby incline by the present to the notification of any amendment, addendum or change.

This bond shall enter into force upon signature. It shall be released within thirty (30) days from the date of the final acceptance of the works and upon release issued by the Project Owner.

Any request for payment made by the Project Owner by virtue of this bond should be done by registered mail with acknowledgement of receipt to reach the bank during the period of validity of this commitment. This bond shall, for purposes of its interpretation and execution, be subject to Cameroon law. Cameroon courts shall be the only jurisdictions competent to rule on this pledge and its consequences.
