Only bidders can attend this opening meeting or be represented by a person of their choice duly authorized.

13. Main evaluation criteria:

Assessment, two-pronged.

It will be based on the following main criteria:

13-1. Playoff criteria.

Playoff criteria set the minimum requirements. Failure to comply with these criteria led the rejection of the offer of the bidder.

This includes:

- Absence of a part of the bid bond;
- Non-compliance after 48 hours of a part of the administrative record;
- Technical score lower than 70% of yes;
- False statement or falsified parts.
- Incomplete financial offer (absence of one or more under detail of the unit prices of one or more price in the price schedule unit, of one or more prizes in the quantity and estimated quotation);

13.2.- Essential criteria.

The technical evaluation will be done by rating based on the essential criteria grouped by headings as follows:

- General presentation of the offer;
- References to the company in the field of similar services;
- Compliance with the technical specifications;
- Presence of an up-to-date certificate of conformity signed by a competent authority, attesting that the farm which the cows will come has a herd in conformity with the proposed breed and meets the biosecurity conditions;
- Evidence of the consent to the terms to characters administrative and technical (CCSI and TS initialled on each page and signed at the last).
- Financial capacity.

N.B.: Only bidders whose offers will be considered technically acceptable (technical score 70% of yes or higher) will be considered for the financial evaluation.

14. Award of the contract.

The owner will assign the market to the bidder whose offer has been recognized in substantial compliance to the tender file and which has the technical and financial capacity required to perform the contract satisfactorily and which the offer was evaluated lowest including as appropriate the proposed discount.

15. Period of validity of the offers.
