14. Evaluation Criteria

The evaluation criteria consist of two types: the playoff criteria and the essential criteria. These criteria are intended to identify and reject incomplete or non-compliant offers for the conditions laid down in the tendering file relating in particular to the admissibility of the administrative documents, the conformity of the Technical Offer to CCTPs of the DAO and the Qualification of Candidations

14.1. The qualifying criteria, it is:

- absence of the submission deposit,
- false declaration or falsified piece (the CIPM and the Contracting Authority reserve the right to authenticate any document with a doubtful character),
- Incomplete offers and non-compliance with the major technical specifications set by the DAO,
- up-to-date bidder vis-à-vis tax and social administrations,
- incomplete administrative file or non-compliant;
- Non-compliance of human and material means (footnote below 2/3 of YES for each section) have obtained less than 70% of the essential criteria of qualification;
- Absence of a quantized unit price,
- non-compliance of the submission model,
- The absence in the technical offer of the declaration on the honor by which the tenderer attests that not only does he have abandoned a market in the last three (03) years, but also that he does not appear on the list of failed companies annually established by the Minister of Public Procurement.

14.2. Essential criteria will focus on:

Assessment of the technical proposal will be carried out on the basis of thirty nine (39) main criteria shared as follows:

- a. General presentation of tender on 03 criteria
- b. Reference 07 criteria
- c. Main personnel of the enterprise on 20 critères
- d. Equipment of enterprise to be mobilized on 7 critères
- e. Methodology of execution on 13 criteria
- f. Proposition technique sur 11 criteria

NB: Only bidders who obtained 70% of yes will be qualified for the rest of the procedure and will see their deals evaluated.

15. Attribution

at the end of the various deliberations, the award will be made to the bidder having submitted the offer, administratively, technically and financially, and evaluated the minimum and considered substantially in accordance with the tender.

16. Duration of validity of tenders
