Sir,

NOTIFICATION

I write to notify you Sir, of the document here attached which indicates that the Mayor of Njikwa Council is inviting a certain PATCOM Enterprise to carry out the completion of the Bakwa Integrated Health Center in Njikwa.

May it please you Sir, to know that my Company was duly awarded the contract to construct the Bakwa Integrated Health Center (copy attached) and ever since we started the work, we have neither received any notification or even verbal expression of termination. We have done the greatest part of the work (pictures attached) and were only disturbed for some time by the ongoing crises.

We wonder aloud if this invitation is a joke or a reality.

We thereby plead for your intervention to correct this injustice

Yours for the company.
