- *The folds do not comply with the submission method.*
- folds without indication of the identity of the Call for Tenders;
- Failure to comply with the number of copies indicated in the RPAO of offering only copies;

Any incomplete offer in accordance with the requirements of the Tender Documents will be declared inadmissible. In particular, the absence of the bid bond issued by an organization or financial institution approved by the Minister responsible for finance to issue bonds in the field of public procurement or failure to comply with the models of the documents in the Tender Documents will result in the outright rejection of the offer without any recourse. *A tender bond produced but having no connection with the consultation concerned is considered absent. A tender bond presented by a tenderer during the tender opening session is inadmissible.*

14. Opening of bids

The opening of the bids is done in one time and will take place on 03/28/2025 at 11 a.m. by the Procurement Commission of the Contracting Authority or the Delegated Contracting Authority in the Meeting room located in the commune of Magba

Only bidders may attend this opening session or be represented by a single person of their choice who is duly mandated, even in the case of a group of companies.

Under penalty of rejection, the required administrative file documents must be produced in originals or in copies certified as true copies by the issuing department or the competent administrative authority, in accordance with the provisions of the Special Regulations of the Call for Tenders. They must be less than three (03) months old or have been established after the date of signature of the Call for Tenders notice.

In the event of the absence or non-conformity of a document in the administrative file when the bids are opened, after a period of 48 hours granted by the Commission, the offer will be rejected.

[The opening must take place no later than one hour after the deadline for receipt of offers set in the Call for Tenders Documents].

15. Evaluation criteria

[The evaluation criteria are of two types: eliminatory criteria and essential criteria ². A criterion cannot be both eliminatory and essential].

² *These criteria are intended to assess compliance with the conditions set out in the Call for Tenders Documents, the administrative documents, the technical offer and the financial proposal with a view to awarding the contract.*

[These criteria are intended to identify and reject offers that are incomplete or do not substantially comply with the conditions set out in the Call for Tenders Documents, relating in particular to the admissibility of administrative documents, the conformity of the technical offer with the technical specifications of the DAO and the qualification of bidders]

15.1 Elimination criteria

[The elimination criteria set the minimum conditions to be met in order to be admitted to the evaluation according to the essential criteria. They must not be subject to scoring. Failure to comply with these criteria will result in the rejection of the bidder's offer.]

These include:

- ✦ of the absence of the bid bond at the opening of the bids;
 - ✦ for the non-production beyond the 48-hour period after the opening of the bids, of a document from the administrative file deemed non-compliant or absent when the bids were opened (except the bid bond);
 - ✦ false declarations, fraudulent maneuvers or falsified documents;
 - ✦ non-compliance with 19 essential criteria out of 26
 - ✦ *the absence of a sworn statement of non-abandonment of construction sites over the past three years;*
 - ✦ *the absence of a quantified unit price in the Financial Offer;*
 - ✦ from the absence of owning or renting minimum equipment (to be specified by the project owner)
 - ✦ the absence of an element of the financial offer (the submission, the BPU, the DQE);
 - ✦ the absence of the dated and signed integrity charter;
-
- ✦ the absence of a dated and signed declaration of commitment to compliance with environmental and social clauses;

NB: Depending on the specific nature of the service, other relevant criteria may be added when preparing the DAO.

15.2. Essential criteria

[The so-called essential criteria are those that are essential or key to judging the technical and financial capacity of candidates to perform the services, the subject

of the call for tenders. These must be determined according to the nature and consistency of the services to be performed.

It is appropriate to formally specify the methods of validating a criterion based on the number of sub-criteria respected.]

The essential criteria for the qualification of bidders will include, for information purposes, the following:

- ✦ the presentation of the offer;
- ✦ the bidder's references;
- ✦ financial capacity (access to a line of credit or other financial resources, turnover, certificate of financial solvency).
- ✦ the qualification and experience of the staff
- ✦ logistical means
- ✦ the methodology

NB: - [Indicate the main qualification criteria which show that the tenderer has the technical capacities and resources required to successfully carry out the execution of the contract. These criteria will be detailed in article 6.1 of the RPAO]

[The system of rating offers by awarding points is prohibited in favor of the binary mode (yes or no)] .

16. Attribution

The Contracting Authority or the Delegated Contracting Authority awards the contract to the tenderer who has submitted an offer meeting the required technical and financial qualification criteria and whose offer is evaluated as the lowest, including , *where applicable, the proposed discounts.*

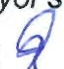

17. Maximum number of lots:

Not applicable

18. Duration of validity of offers
