WEST REGION**

To be opened only during the Tenders Board Opening session ».

ARTICLE 8 : Latest time and date of submission of bids

Bids shall be received at the address latest at the time and date indicated in the letter of invitation to tender.

2.4 OPENING AND EVALUATION OF BIDS

ARTICLE 9 : Opening of bids by the Tenders Board

9.1 The bids shall be opened in a single phase. The opening of the administrative documents, the Technical and Financial offers will take place on the 01/04/2025 at 11 AM local time, at the Conference Hall of the office designated by the Contracting Authority (at the Divisional Delegation of Public Contracts Mezam at Up Station Bamenda), by the Mezam Divisional Tenders Board. Only bidders may attend or be represented by duly mandated persons of their choice. The bids will be evaluated exclusively of value added tax (EVAT) and all taxes inclusive (ATI) and accompanied by a signed model submission.

9.2 The above-mentioned Tenders Board shall prepare a report of the bid-opening session.

ARTICLE 10 : Verification of compliance and comparison of bids

The Tenders Board shall verify compliance and compare the bids in the following order:

1. Study of the compliance of bids, as regards the delivery periods and technical specifications
2. Verification of arithmetical operations by using, where necessary, the unit prices in words to make any necessary corrections
3. Preparation of a summary table of bids.

2.5 **AWARD OF THE JOBBING ORDER**

ARTICLE 11 : Award of the jobbing order

The Tenders Board shall propose the award of the jobbing order to the contractor whose bid it would have deemed compliant with the provisions of the Consultation File, and is the **lowest excluding taxes**.

ARTICLE 12 : Announcement of award of the jobbing order

The Contracting authority shall decide on the award and publish the result of the jobbing order in the Contract Newsletter, through the media and/or by bill posting, stating:

- a) the name of the beneficiary,
- b) the object of the consultation,
- c) the amount of the jobbing order and of each lot (if the consultation had led to apportionment),
- d) The delivery deadline.

ARTICLE 13 : Signing of the jobbing order

Two (2) weeks following the award, the jobbing order shall be signed by the Contracting Authority and notified to the contractor who shall be responsible for its registration according to the procedure in force.

ARTICLE 14 : Corruption and fraudulent practices

Persons and Member of Tenders Boards as well as Contractor should at all times comply with the strict rules of professional ethics. More especially, they should refrain from corruption or any other fraudulent practices. By virtue of this principle, the expressions hereunder shall be defined as

any person or offers, gives, solicits or accepts any benefit whatsoever to influence the action of a State worker during the award or execution of a jobbing order shall be guilty of "corruption", and

any person or provides, solicits or accepts several quotations tendered by the same contractor under different corporate names and/or under different registration numbers shall be guilty of "fraudulent practices".

(c) Whoever deforms or distorts facts in order to influence the award or execution of a jobbing order in a manner prejudicial to the Project Owner indulges in "fraudulent practices".
"Fraudulent practices" shall comprise any understanding or collusion of bidders (before or after submission of the bid) seeking to artificially keep the bid prices at levels not corresponding to those resulting from free and open competition, thus depriving the Project Owner of the benefits of competition.

1. The first part of the document is a list of names and dates, which appears to be a record of some kind. The names are written in a cursive script, and the dates are in a more formal, printed style. The list is organized into columns, with names in the first column and dates in the second column. The names are mostly male, and the dates range from the late 18th century to the early 19th century. The list is followed by a section of text that is also written in cursive, but it is much more difficult to read than the list itself. This section appears to be a narrative or a description of some kind, but the handwriting is too faint and the script is too cursive to transcribe accurately. The text is organized into paragraphs, with some lines indented. The overall appearance of the document is that of an old, handwritten record or journal.

ARTICLE 11 : INFORMATION AND DOCUMENTS TO BE FURNISHED

a) Within a minimum deadline of [fifteen (15) days] from the date of notification of the Administrative Order to commence execution, the Contractor shall submit in [six (6)] copies for the approval of [Contract Manager after the endorsement of the Contract Engineer] the execution plan of the supplies, his supply calendar, his draft Quality Assurance Plan and the Environment Management Plan, where applicable. This programme shall be exclusively presented according to the furnished models. Two (2) copies of these documents will be returned to him within a deadline of fifteen (15) days from the date of acceptance with:

- Either the indication "GOOD FOR EXECUTION";
- Or the indication of their rejection including the reasons for the said rejection.

The Contractor has eight (8) days to present a new draft. The Contract Manager or the Project Manager has a deadline of five (5) days to give his approval or possibly make comments. Delay in approving the draft execution schedule shall stay the execution deadline.

The approval given by the Contract Manager or Project Manager does not in any way release the Contractor of his responsibilities. Meanwhile, works executed before the approval of the programme shall neither be ascertained nor paid for. The updated and approved schedule will become the approved schedule.

The Contractor shall constantly update on site, a schedule that will take account of real progress of the work. Significant modifications may only be made on the Contractual programme upon receiving the approval of the Project Manager. After approval of the execution schedule by the Contract Manager, the Contractor shall transmit it within five (5) days to the Contracting Authority without staying its execution. Important modifications alter the objective of the Contract or the nature of the works, the Contracting Authority shall return the execution schedule accompanied by reservations to be lifted within five (5) days of the date of acceptance.

The Contractor should label all the equipment supplied as follows: **BDA1SD/MINAT/PIB/2025**. This label work should be done after acceptance of his work.

ARTICLE 12 : ACCEPTANCE OF SUPPLY

The Project Owner or Contract Manager shall fix the date for the reception of supply to be effected in the presence of the supplier by a commission composed of:

- | | |
|--|--------------|
| The Contracting Authority | Chairperson; |
| The Contract Engineer(s) | secretary. |
| The Contract Manager | Member; |
| The DDMINMAP/MEZAM | Observer; |
| The stores accountant of the DO of BDA 1 | Member; |
| The supplier | Member; |

It shall cross-check the conformity of the supply with the prescriptions of the jobbing order and decide whether there are grounds to rule in favour of acceptance.

Where the supply does not conform, the supplier shall be requested to replace the defective material at his own cost.

Where the supply does conform, the commission shall rule for acceptance. An acceptance report shall be prepared and shall be signed by all the members of the commission and the supplier. Such

report shall clearly state the number of items, the quality of the packaging and the compliance with the contractual clauses.

ARTICLE 13: GUARANTEE

The cost of the usual commercial guarantees outlined in the general clauses for any defect or early alteration of the items shall be borne by the supplier. The supply will bear the cost of repairs of the supplied equipment for six months from the date of acceptance of the supply.

ARTICLE 14: INSURANCE

Hazards of whatever nature during transportation up to the place of delivery must be covered by an insurance policy taken by the supplier.

ARTICLE 15: PENALTIES FOR DELAYS

The amount set for penalties for delays is set as follows:

One two thousandth (1/2000th) of the initial contract amount all taxes inclusive per calendar day of delay from the first to the 30th day beyond the contractual time-limit;

One thousandth (1/1000th) of the initial amount of the contract inclusive of all taxes per calendar day beyond the 30th day.

The cumulated amounts of penalties for delay shall be limited to ten percent (10 %) of the initial contract inclusive of all taxes.

CHAPTER III FINANCIAL PROVISIONS

ARTICLE 16: GENERAL NOTIONS – PRICES

: MODEL BID BOND

Addressed to [indicate the Contracting Authority and his address] "Contracting Authority"

Whereas the undertaking _____ hereinafter referred to as the "bidder" has submitted his bid on _____ for [recall the subject of the invitation to tender], hereinafter referred to as "the bid" and to which must be attached a bid bond equivalent to [indicate the amount] CFA francs.

We _____ [name and address of the bank], represented by _____ [names of signatories], hereinafter referred to as "the bank" hereby guarantee payment to the Contracting Authority of the maximum sum of [indicate the amount] CFA francs, that the bank pledges to pay in full to the Contracting Authority, binding itself, its successors and assignees.

The conditions of this commitment are as follows:

If the bidder retires his bid during the validity period provided for in the Tender File;

Or
If the bidder, having been notified of the award of the contract by the Contracting Authority during the validity period,

* Fails or refuses to sign the contract, even though required to do so;

* Fails or refuses to furnish the final bond for the contract (final bond) as provided for by the contract;

* Fails to pay to the [Contracting Authority] an amount up to the maximum of the sum referred to above upon reception of his first written request, without the Contracting Authority having to justify his request, given, however, that in his request the Contracting Authority shall note that he is due the amount he is claiming because one or the other or both of the above condition(s) has (have) been fulfilled and he shall specify which condition(s) took effect.

This bond shall enter into force from the date of signature and from the date set by the Contracting Authority for the submission of bids. It shall remain valid up till the thirtieth day inclusive following the end of the deadline for the validity of bids. Any request by the Contracting Authority to cause it to take effect should reach the bank by registered mail with an acknowledgement of receipt before the end of this period of validity.

This bond shall, for purposes of its interpretation and execution, be subject to Cameroon law. Cameroon courts shall be the only jurisdictions competent to rule on this commitment and its consequences.
