GENERAL REGULATIONS OF THE INVITATION TO TENDER

A) GENERAL

Article 1: Scope of bid

1.1 The Contracting Authority here referred to as the "North West Development Authority (MIDENO)", launches an Open National REQUEST FOR QUOTATION in view of obtaining the supplies and ancillary services briefly described in the Special Regulations of the Open National REQUEST FOR QUOTATION and specified in the *Supplies Descriptive* as well as in the schedule of Quantities.

The name, identification number and number of lots which form the subject of the Open National REQUEST FOR QUOTATION feature in the Special Regulations of the Open National Invitation to tender. Hereafter reference is made to it under the theme "supplies"

1.2 The bidder retained or the successful bidder must furnish the supplies within the time-limit indicated in the Special Regulations of the REQUEST FOR QUOTATION and which runs from the date of notification of the Administrative Order to start the delivery of the supplies.

1.3 In this Tender file the terms "Project Owner" and "North West Development Authority" and "MIDENO" are interchangeable, while the term "Day" or "Month" refers to a Calendar day or month.

Article 2: Financing

2.1 The source of financing for the supplies forming the subject of this REQUEST FOR QUOTATION shall be specified in the Special Regulations of the REQUEST FOR QUOTATION

Article 3: Fraud and Corruption

3.1 MIDENO requires of bidders and its contractors the strict respect of rules of professional ethics during the award and execution of public Contracts. By virtue of this principle, MIDENO:

a) Defines, within the context of this clause, the expressions in the following manner:

i) *shall be guilty of «Corrupt practice» whoever bids, gives requests or accepts any advantage in view of influencing the action of a public official during the award or execution of a contract;*

ii) *is involved in « fraudulent manoeuvres» whoever deforms or distorts facts in order to influence the award or execution of a contract;*

iii) **Collusive Practices:** mean any form of agreement between two or among several bidders (whether MIDENO is aware or not) aimed at artificially maintaining the prices of bids at levels not corresponding with those which will result from the forces of competition; and

IV) **Coercive Practices:** mean any form of harm against persons or their property or threats against them in order to influence their action during the award or execution of a contract.

b) Will reject any award proposal if it determines that the proposed successful bidder is directly or through the intermediary of an agent, guilty of corruption or is involved in fraudulent manoeuvres, collusive or coercive practices for the award of this contract.

3.2 **The Minister Delegate in charge of Public Contracts**, Authority in Charge of Public Contracts may, as a temporary measure, take a decision to ban bidding for a period not exceeding two (2) years against any bidder guilty of influence peddling, conflict of interest, insider information, fraud corruption, or production of non-authentic documents in his bid, without prejudice to legal action that may be taken against him.

Article 4: Candidates allowed to compete

4.1 If the REQUEST FOR QUOTATION is restricted, the consultation is addressed to all candidates retained after a pre-qualification procedure.

4.2 Generally, the REQUEST FOR QUOTATION is addressed to all contractors, subject to the following provisions;

a) A bidder (including all members of a group of enterprises and all sub-contractors to the bidder) must be from an eligible country in accordance with the Funding Agreement.

b) A bidder (including all members of a group of enterprises and all sub-contractors to the bidder) must not be in a situation of conflict of interest.

A bidder will be judged to be in a situation of conflict of interest if he;

i) Is associated with or was associated in the past in an enterprise (or a subsidiary of this enterprise) which provided consultancy services for the conception, preparation of specifications and other documents used within the scope of contracts awarded for this REQUEST FOR QUOTATION ; or

ii) Presents more than one bid within the context of this invitation to tender, except authorized variants according to **Clause 17**, where need be; meanwhile, this does not **prevent the participation of sub-contractors in more than one bid.**

c) The bidder must not have been excluded from bidding for public contracts.

d) A Cameroonian public enterprise may participate in the consultation if it can demonstrate that it is

i) Legally and financially autonomous

ii) Managed according to commercial laws and

iii) Not under the direct supervisory authority of MIDENO.

Article 5: Supplies and ancillary services meeting the criteria of origin

5.1 All the supplies and ancillary services forming the subject of this contract must come from countries meeting the criteria of origin defined in the Special Regulations of the invitation to tender.

5.2 Within the meaning of this clause, the term « **Supplies** » shall refer to **products, raw material, machines, equipment and industrial installations; and the term “ancillary services” shall notably refer to services such as insurance, installation and initial training.**

5.3. The term 'Originate' shall qualify the country where the supplies are extracted, cultivated, produced, manufactured or transformed or the country where a manufacturing, transformation or assembly of components process results in the obtention of a commercial article whose basic characteristics are substantially different from those of its components.

Article 6: Qualification of Bidders

6.1 As an integral part of their bid, bidders must:

a) Submit a Power of Attorney, making the signatory of the bid bound by the bid; and

b) Furnish all the information (complete or updated information included in the request for pre-qualification which may have changed in the case where the candidates had to pre-qualify) requested from bidders in the Special Regulations, in order to establish their ability to execute the contract.

Information relating to the following points shall be requested, if need be:

i) The production of certified balance sheets or turnover

ii) Access to a credit line or availability of other sources of funding

iii) Orders acquired and contracts awarded and executed

iv) Pending litigations

v) Availability of indispensable equipment

6.2 Bids presented by two or more associated undertakings (joint-contracting) must satisfy the following conditions:

- a)** The bid must include all the information listed in article 6(1) above. The Special Regulations must specify the information to be furnished by the group and the information to be furnished by each member of the group.
- b)** The bid and the contract must be signed in a way that it is binding on all members of the group.
- c)** The nature of the group (*joint or several as stipulated in the Special Regulations*) must be specified and justified with the production of a joint venture agreement in due form;
- d)** The member of the group designated as the representative will represent all the undertakings vis -a- vis the Contracting Authority with regards to the execution of the contract;
- e)** In the case of joint co-contracting, the Co-contractors shall share the sums which are paid by the Administration into a single account; on the other hand; each undertaking is paid in its own account by the Administration where it is several co-contracting.

6.3 Bidders should equally present sufficiently detailed proposals to demonstrate that they conform to the technical specifications and delivery time-limits set in the Special Regulations of the REQUEST FOR QUOTATION

B) TENDER FILE

Article 7: Content of Tender File

7.1 The tender file describes the supplies forming the subject of the contract, sets the consultation procedure by contractors and specifies the terms of the contract.

Besides the addenda published in accordance with article 10 of the General Regulations of the invitation to tender, it includes the following documents:

- a)** The letter of REQUEST FOR QUOTATION (for restricted invitation to tender);

7.2 The Bidder must examine all the rules, forms, conditions and specifications contained in the tender file. It is up to him to furnish all the information requested and prepare a bid in conformity with all aspects of the said file. Any deficiency may lead to a rejection of his file.

Article 8: Clarification and complaints on the Tender File

8.1 Any bidder who wants to obtain clarifications on the Tender File may request them from MIDENO in writing or by electronic mail (telephone and E-mail) at MIDENO's address, which is: **North West Development Authority (MIDENO), Ayaba Street, opposite Mansfield Plaza Hotel, P. O. BOX 442, BAMBENDA: Tel: 237 33 36 16 61, : Email:mideno1981@gmail.com.**

MIDENO shall reply in writing to any request for clarification received at least fourteen (14) days for national invitations to tender and twenty one (21) days for international invitations prior to the deadline for the submission of the bids. A copy of MIDENO's response indicating the question posed but not mentioning the author is addressed to all bidders who bought the Tender File.

8.2 Between the publication of the tender notice including the prequalification phase of candidates and the opening of bids, any bidder who feels aggrieved in the public contracts award procedure may lodge a complaint to MIDENO.

8.3 The complaint must be addressed to MIDENO with copies to the body in charge of the regulation of public contracts and the chairperson of the Tenders Board.

It must reach MIDENO not later than fourteen (14) days before the opening of the bids.

8.4 MIDENO has five (5) days to react. A copy of the reaction shall be forwarded to the body in charge of the regulation of public contracts.

Article 9: Modification of the Tender File

9.1 MIDENO may at any moment prior to the deadline for submission of bids and for any reason, be it at his initiative or in reply to a request for clarification formulated by a bidder, amend the Tender File by publishing an addendum.

9.2 Any published addendum shall be an integral part of the Tender File, in accordance with **Article 7.1 of the General Regulations of the REQUEST FOR QUOTATION** and must be communicated in writing or made known to all bidders who bought the Tender File. The latter must acknowledge receipt of the addenda in writing to MIDENO.

9.3 In order to give sufficient time to take account of the addendum in the preparation of their bids, MIDENO may postpone as is necessary, the deadline for the submission of bids, in accordance with the provisions of **Article 23.3 of the General Regulations of the invitation to tender.**

C) Preparation of Bids

Article 10: Tender Cost

The bidder shall bear the costs related to the preparation and presentation of his bid and MIDENO shall in no case be responsible for these costs nor pay them whatever the evolution or outcome of the REQUEST FOR QUOTATION procedure.

Article 11: Language of Bid

11.1 The bid as well as any correspondence and all documents concerning the bid exchanged between the bidder and MIDENO shall be drafted in **English or French**. Complementary documents and the forms provided by the bidder shall be drafted in any language on condition that a precise translation into either English or French of the passages concerning the bid is included: in which case for reasons of interpretation, the translation shall be considered to be authentic.

Article 12: Constituent documents of the bid

12.1 The bid presented by the bidder shall include the documents detailed in the Special Regulations of the invitation to tender, duly filled and put together in three (3) volumes:

a) Volume 1: Administrative file

It includes

i) All documents attesting that the bidder:

- Has subscribed to all declarations provided for by the laws and regulations in foRCe;
- Paid all taxes, duties, contributions, fees or deductions of whatever nature;
- Is not winding up or bankrupt;
- Is not the subject of an exclusion order or forfeiture provided for by the law in foRCe

ii) The bid bond established in accordance with the provisions of **Article 19 of the General Regulations of the invitation to tender**

iii) The written confirmation empowering the signatory of the bid committing the bidder, in accordance with the provisions of **Article 6.1 of the General Regulations of invitation to tender**.

b) Volume 2: Technical Bid

b.1 information on qualifications

The Special Regulations of the REQUEST FOR QUOTATION specifies the documents to be furnished by the bidders attesting to the qualification to bid in accordance with **Articles 6(1) of the General Regulations**.

b.2 Methodology of Technical Proposal

The Special Regulations specify the constituent elements of the technical proposals of bidders notably:

- A detailed description of the technical characteristics, performance, makes, models and references of the materials proposed including technical prospectuses in accordance with **Article 17 of the General Regulations**;
- The calendar, schedule and delivery deadline.

b.3 Proof of acceptance of conditions of the contract

The bidder shall submit duly initialed copies of administrative and technical documents relating to the contract, namely:

- The Special Administrative Conditions (SAC);
- Technical specifications

c) Volume3: Financial Bid

The Special Conditions specify the elements that will help in justifying the cost of the services, namely:

- The signed and dated original bid prepared according to the attached model, stamped at the prevailing rate.
- The duly filled schedule of Unit Prices
- The duly filled detailed estimates;
- The sub-details of prices and/or breakdown of all-in prices

To this effect, bidders should use the model documents and forms provided for in the Tender File, subject to the

provisions of article 19(2) of the General Regulations of the REQUEST FOR QUOTATION concerning the other possible forms of bid bonds.

12.2 If in accordance with the provisions of the Special Regulations of invitation to tender, the bidders present bids for several lots of the same invitation to tender, they could indicate rebates bided in case of award of more than one lot

Article 13: Bid Price

13.1 Prices shall be indicated as required in the model Price Schedules and sub-details of prices as furnished in the annex.

In indicating the price, the contractor is free to turn to a transporter and to obtain insurance services from any country, subject to the conditions of eligibility attached to the financing agreement.

Prices proposed in the forms of sub-details of prices for supplies and ancillary services shall be presented in the following manner:

- Prices of supplies ex-works (exit from factory, manufacturing, exhibition hall, warehouse or sales room as the case may be) including all the custom duties, sales tax or other taxes to be paid on the components or raw materials used in manufacturing or assembling of supplies;

Sales and other taxes collected on the supplies which will be due if the contract is awarded;

The price of domestic transportation, insurance and other local services related to the delivery of the supplies up to their final destination (project site) specified in the Special Regulations of the invitation to tender.

13.2 The Prices bided by the bidder should be firm during the duration of the execution of the contract and should no way in any manner vary, except there is a contrary provision in the Special Regulations. Except otherwise stated in the Special Administrative Conditions, an bid including a price revision clause will be considered as not being in conformity and set aside, in accordance with article 29(3) of the General Regulations.

13.3 In the case where the REQUEST FOR QUOTATION has several lots, the prices indicated should correspond to the total of the articles of each lot and the total quantity indicated for each article. Bidders wishing to bid a rebate in the case of the award of more than one contract will specify the rebates applicable on each group of lots or each contract of the group of lots, on condition that all the bids are submitted and opened at the same time.

Article 14: Currency of bid

14.1 Prices will be drawn in the CFA Francs

Article 15: Documents attesting to the Eligibility of the bidder

The bidder will furnish as full part of his bid, documents attesting that he meets the conditions of the provisions of **Article 4 of the General Regulations**.

Article 16: Documents attesting to the admissibility of supplies

16.1 In application of the provisions of **Article 5 of the General Regulations**, the bidder will furnish as a full part of his bid, documents attesting that all the supplies and services which he proposes to furnish in execution of the contract meet the criteria of origin.

16.2 These documents will consist of a declaration of country of origin of the supplies and services proposed in the schedule of prices, declaration to be confirmed by a certificate of origin at the time of shipment.

Article 17: Documents attesting to the conformity of supplies

17.1 To establish the conformity of supplies and ancillary services of the Tender File, the bidder shall, within the scope of his bid, provide written proofs that the supplies conform to the technical specifications and standards mentioned in the supplies specifications.

17.2 These proofs may take the form of prospectus, drawings or data and include a detail description of the main technical and performance characteristics of the supplies and ancillary services, demonstrating that they essentially

correspond to the specifications and, where need be, a list of differences and reservations in relation to the provisions of the supplies Specifications.

17.3 The bidder shall also provide a list giving all the details, including the available sources of supply and the current prices of spare parts, special tools, etc necessary for the proper and continuous functioning of the supplies from the start of their use by MIDENO and during the period specified in the Special Regulations

17.4 The standards which apply to the execution methods, manufacturing processes, equipment and materials as well as references to trademarks or catalogue numbers specified by MIDENO in the quantity schedules, delivery calendar and technical specifications are mentioned only for information and in no way have a restrictive character.

The bidder may substitute them with other quality standards, trademarks and/ or other catalogue numbers provided that he establishes to the satisfaction of MIDENO that the standards, makes and numbers thus substituted are substantially equivalent or superior to the specifications of the schedule of prices and technical specifications.

Article 18: Documents attesting to the bidder's qualification

Documents attesting that the bidder is qualified to execute the contract if his bid is accepted shall establish to the satisfaction of MIDENO that:

- In the case where the bidder bids to deliver in execution of the contract, supplies which moreover he does not manufacture or produce, the said bidder is duly authorized by the manufacturer of these supplies to deliver them in Cameroon;
- The bidder has the financial, technical and production capacity necessary to execute the contract
- In the case where the bidder has no operations in Cameroon, he is or shall (if he is awarded the contract) be represented by an Agent endowed with the expected means and capacity to ensure the tasks of maintenance, repairs and stocking of spare parts corresponding to the obligations mentioned in the Special Administrative Conditions and/or technical specifications; and
- The contractor has pertinent experience similar to that provided for in the Tender File.

Article 19: Bid Bond

19.1 In application of **Article 12 of the General Regulations**, the bidder shall furnish a bid bond of the amount specified in the Special Regulations and which shall become a full part of his bid.

19.2 The bid bond must conform to the model presented in the Tender File; other models may be authorized subject to the prior approval of MIDENO. The bid bond will remain valid for thirty (30) days beyond the original date set for the validity of bids or any other validity time-limit requested by MIDENO and accepted by the bidder, in accordance with **Article 20(2) of the General Regulations**.

19.3 Any bid without an acceptable bid bond shall be rejected by MIDENO as not being in conformity. The bid bond of associated enterprises must be established in the name of the representative submitting the bid and should mention each member of the associated grouping.

19.4 The bid bond of bidders who are not retained shall be returned within fifteen (15) days after the publication of the award result.

19.5 The bid bond of the successful bidder shall be released as soon as the latter would have signed the contract and furnish the required final bond.

19.6 The bid bond may be seized:

a) If the Bidder:

Withdraws his bid during the time-limit which he specifies in his bid; or

Does not accept the correction of errors in application of **Article 32 of the General Regulations**; or

b) If the bidder retained:

Defaults in his obligation to sign the contract in application of Article 39 of the General Regulations; or

Defaults in his obligation to furnish the final bond in application of **Article 40 of the General Regulations of the invitation to tender.**

Article 20: Validity of bids

20.1 Bids must remain valid during the period stated in the Special Regulations from the date of submission of the bids set by MIDENO in application of **Article 23 of the General Regulations**. An bid valid for a shorter period shall be rejected by MIDENO as not being in conformity.

20.2 Under exceptional circumstances, MIDENO may request the consent of the bidder for the prolongation of the validity time-limit. The request and the responses that will be given shall be in writing (or by telecopy). The validity of the bid bond provided for in article 19 of the General Regulations shall equally be extended for a corresponding duration. A bidder may refuse to extend the validity of his bid without losing his bid bond. A bidder who consents to an extension shall not be asked to modify his bid nor be authorized to do so.

20.3 Where the contract does not include a price revision clause and that the period of validity of bids is extended for more than sixty (60) days, the amount payable to the bidder retained shall be updated by application of the related formula featuring in the request for extension that MIDENO shall address to the bidders. MIDENO's request shall include a form of price revision. The updating period shall run from the date of notification of the contract or the Administrative Order for the start of the execution of services by the retained bidder, as specified in the Special Administrative Conditions. The effect of updating shall not be taken into account for purposes of evaluation.

Article 21: Form and signature of the bid

21.1 The bidder shall prepare an original of the constituent documents described in **Article 12 of the General Regulations** in a volume clearly indicated "**ORIGINAL**". In addition, the bidder shall submit the number required in the General Regulations, bearing "**COPY**". In case of discrepancy, the original shall be considered as authentic.

21.2 The original and copies of the bid must be typed or written in indelible ink (Photocopies shall be accepted in case of copies) and must be signed by the person(s) duly empowered to sign on behalf of the bidder, in accordance with article 6 (1a) or 6 (2a) of the General Regulations, as the case may be. All the pages of the bid containing alterations or changes must be initialed by the signatory (ies) of the bid.

21.3 The bid shall bear no modification, suppression or alteration, unless such corrections are initialed by the signatory (ies) of the bid.

D) Submission of bids

Article 22: Sealing and Marking of bids

22.1 The Bidder shall place the original and each of the copies of the bid in separate and sealed envelopes bearing the inscription "ORIGINAL" and "COPY", as the case may be. These envelopes should then be placed in another envelope which should equally be sealed.

22.2 The external and internal envelopes:

Should be addressed to **The Director General, MIDENO, P.O. Box 442, Bamenda**

Should bear the name of the Project as well as the Subject number of the invitation of tender and the statement "**TO BE OPENED ONLY DURING THE BID-OPENING SESSION**"

22.3 The internal envelopes should equally carry the name and address of the bidder in a way as to enable MIDENO return the sealed bid if it is not opened.

22.4 If the external envelopes are not sealed and marked as indicated in **Article 22(2)** above, MIDENO shall not be responsible if the bid is misplaced or opened prematurely.

Article 23: Date and time limit for Submission of bids

23.1 The bids must be received by MIDENO at the address specified above not later *than*local time.

23.2 MIDENO may, at its discretion, postpone the deadline set for the submission of the bids by publishing an addendum in accordance with the provisions of article 9 of the General Regulations. In this case, all the rights and

obligations of MIDENO and bidders previously governed by the initial date will henceforth be governed by the new date.

Article 24: Late bids

Any bid received by MIDENO beyond the deadline for the submission of bids set by MIDENO in application of **Article 23 of the General Regulations** shall be declared late and rejected.

Article 25: Modification, substitution and Withdrawal of bids

25.1 A Bidder may modify, replace or withdraw his bid after submitting it, on condition that the written notification of the modification or withdrawal is received by MIDENO prior to end of the time limit prescribed for the submission of the bids. The said notification must be signed by an authorized representative in application of **Article 21(2) of the General Regulations**. The modification or the corresponding replacement bid must be attached to the written notification. As the case may be, the envelopes must bear the inscription "WITHDRAWAL", and "REPLACEMENT BID" or "MODIFICATION"

25.2 The notification of modification, replacement or withdrawal should be prepared, sealed, marked and forwarded in accordance with the provisions of **Article 22 of the General Regulations**. The withdrawal may equally be notified by telephone but should in this case be confirmed by a duly signed written notification and whose date, post mark being authentic, shall not be posterior to the time limit set for the submission of bids.

25.3 Bids being requested to be withdrawn in application of **Article 25(1)** shall be returned unopened.

25.4 No bid may be withdrawn in the interval between the deadline set for the submission of bids and the expiry of the validity period of the bids set in the model bid. The withdrawal of an bid by a bidder during the interval may lead to the confiscation of the bid bond in accordance with the provisions of article 19(6) of the General Regulations.

E) Opening of envelopes and Evaluation of bids

Article 26: Opening and Evaluation of envelopes, bids and petitions

26.1 The competent Tenders Board proceeds to open the envelopes in the presence of the representatives of bidders who wish to attend and who have a perfect mastery of the file: at the date, time and address specified in the Special Regulations. Representatives of bidders present shall sign a register attesting to their presence.

26.2 Firstly, envelopes marked "withdrawal" shall be opened and the contents announced to the hearing of everyone, while the envelope containing the corresponding bid shall be returned to the bidder unopened. Withdrawal shall be allowed only if the corresponding notification contains a valid empowerment of the signatory to request this withdrawal and if this notification is read to the hearing of everyone. Then the envelopes marked "Replacement bid" are opened and announced to the hearing of everyone and the new corresponding bid substituted for the preceding one which will be sent to the bidder concerned unopened. The replacement of the bid shall only be allowed if the corresponding notification contains a valid empowerment of the signatory requesting the replacement and read to the hearing of everyone. Lastly, the envelopes marked "modification" shall be opened and their contents read to the hearing of everyone with the corresponding bid. The modification of the bid shall only be allowed if the corresponding notification contains a valid empowerment of the signatory requesting the modification and read to the hearing of everyone. Only bids which were opened and announced to the hearing of everyone during the opening of bids shall then be evaluated

26.3 All envelopes shall be opened successively and the name of the bidder announced aloud as well as the possible modification mentioned, the price bided including any rebates [in case of opening of financial bids] and any variant, where necessary, the existence of a guarantee of the bid if it is required and any other details which the Contracting Authority deems useful "to be mentioned. Only rebates and variants of bids announced to the hearing of everyone during the opening of bids shall be submitted for evaluation.

26.4 Bids (and modifications received in accordance with the provisions of article 24 of the General Regulations) which were not opened and read to the hearing of everyone during the bid-opening session for whatever reason, shall not be submitted for evaluation.

26.5 Bid-opening minutes are recorded on the spot mentioning the admissibility of bids, their administrative regularity, prices, rebates and time-limits as well as the composition of the Evaluation sub-committee. A copy of the said minutes to which is attached the attendance sheet is handed over to all the participants at the end of the session.

26.6 At the end of each bid-opening session, the chairperson of the Tenders Board immediately hands over to the focal point designated by ARMP an initialed copy of the bids presented by bidders.

26.7 In case of petition as provided for by the Public Contracts Code, it should be addressed to the Public Contracts Authority with copies being sent to the body in charge of the regulation of public contracts, the Contracting Authority or Delegated Contracting Authority.

It must reach within a maximum deadline of three (3) working days after the opening of bids in the form of a letter to which is obligatorily attached a sheet of the petition form duly signed by the petitioner and possibly by the chairperson of the Tenders Board.

The Independent Observer attaches to his report the sheet that was handed to him, including any related commentaries or observations.

Article 27: Confidential nature of the procedure

27.1: No information relating to the examination, evaluation, comparison of bids and verification of the qualification of bidders and the contract award recommendation shall be given to bidders or to any other person concerned with the said procedure as long as the contract award has not been made public.

27.2: Any attempt by a bidder to influence the Tenders Board or the Evaluation sub-committee of the bids or the Contracting Authority in his award decision may cause the rejection of his bid.

27.3: Notwithstanding the provisions of article 27(2), between the opening of envelopes and the award of the contract, if a bidder wishes to enter into contact with the Contracting Authority for reasons having to do with his bid, he should do so in writing.

Article 28: Clarifications on the bids and contact with the Contracting Authority

28.1. To ease the examination, evaluation and comparison of bids, the Tenders Board may, if it desires, request any bidder to give clarifications on his bid. This request for clarification and the response given are formulated in writing but no change on the amount or content of the bid is sought, bided or authorized, except it is necessary to confirm the correction of calculation errors discovered by the Evaluation sub-committee during the evaluation in accordance with the provisions of article 32 of the General Regulations.

28.2. Subject to the provisions of paragraph 1 above bidders shall not contact members of the Tenders Board and the Evaluation Sub-committee for questions related to their bids, between the opening of envelopes and the award of the contract.

Article 29: Conformity of bids

29.1: The Evaluation sub-committee shall carry out a detailed examination of bids to determine if they are complete, if the required guarantees are furnished, if the documents were correctly signed and if generally the bids are in proper order

29.2: The Evaluation Subcommittee shall determine if the bid is essentially in conformity with the conditions fixed in the tender file based on the contents without recourse to external elements of proof

29.3: An bid that conforms to the tender file shall essentially be an bid that respects all the terms, conditions and specifications of the tender file without substantial divergence or reservations. A substantial divergence or reservations is that

a. Which substantially limits the scope, quality or performance of the supplies and ancillary services specified in the contract.

b. Which substantially limits and is not in conformity with the Tender File, the rights of the Contracting Authority or the obligations of the bidder in relation to the contract; or

c. whose acceptance would be prejudicial to other bidders who presented bids that essentially conformed with the Tender File.

29.4. If a bid is essentially not in conformity it shall be rejected by the Competent Tenders Board and shall not essentially be rendered in conformity.

29.5- The Contracting Authority reserves the right to accept or reject any modification, divergence or reservation. Modifications, divergences, variance and other factors which are beyond the requirements of the tender file shall not be considered during the evaluation of bids.

Article 30: Evaluation of Technical Bid

30.1: The evaluation subcommittee shall examine the bid to confirm that all the conditions fixed in the special regulations and special administrative conditions were accepted by the bidder without substantial difference or reservation.

30.2: The Subcommittee shall evaluate the technical aspects of the bid presented in accordance with **Article 17 of the General Regulations** in order to ensure that all the stipulations of the schedule of prices, delivery calendar, and supplies specifications (technical specifications, plans, inspections and trails) are respected without substantial difference or reservation.

30.3: If after the examination of the terms and conditions of the REQUEST FOR QUOTATION and the technical evaluation, the evaluation subcommittee establishes that the bid does not essentially conform in application of article 29 of the General Regulations, it will propose to the tenders board that the said bid be set aside.

Article 31: Qualification of the Bidder

The Evaluation sub-committee shall ensure that the bidder retained for having submitted the bid that substantially conformed to the provisions of the Tender file, meets the qualification criteria stipulated in **Article 6 of the Special Regulations**. It is essential to avoid arbitrariness in determining qualification.

Article 32: Correction of errors

32.1. The Evaluation sub-committee shall verify the bids considered essentially in conformity with the Tender File to rectify the possible calculation errors. The sub-committee shall rectify the errors in the following manner:

a. If there is a contradiction between the unit price and the total obtained by multiplying the unit price by the quantities, the unit price shall be authentic and the total price shall be corrected, unless, according to the Evaluation sub-committee, the decimal point of the unit price is manifestly badly placed. In which case the total price indicated shall prevail and the unit price corrected.

b. If the total obtained by the addition or subtraction of sub totals is not exact, the sub totals shall be authentic and the total corrected;

c. If there is a contradiction between the indicated price in letters and figures, the amount in letters shall be authentic, unless the amount is linked to an arithmetical error, in which case the amount in figures shall prevail subject to paragraphs a) and b) above.

32.2. The amount featuring in the bid shall be corrected by the Evaluation sub-committee in accordance with the error correction procedure referred to above and with the conformation of the bidder, the said amount shall be considered to commit him.

32.3. If the bidder who presented the bid assessed as being the lowest bid does not accept the corrections, his bid shall be rejected and his bond may be seized.

Article 33: Evaluation of financial bids

33.1 The Evaluation sub-committee shall proceed to the evaluation and comparison of bids which it had determined essentially met the provisions of the Tender File within the meaning of articles 29, 30 and 31 of the General Regulations.

33.2. For this evaluation the Evaluation sub-committee shall consider the following elements:

- a. the tender price, indicated according to the provisions of clause 13 of the General Regulations;
- b. adjustments made on the price to correct the arithmetical errors in application of paragraph 32 of the General Regulations;
- c. Adjustments made on the price as a result of rebates bided in application of paragraph 13(4) of the General Conditions;

33.3. To evaluate the tender price, the Evaluation sub-committee may equally consider factors other than the tender

price indicated, in application of article 13 of the General Conditions, including characteristics, performance of the supplies and ancillary services and purchase conditions.

The factors retained and specified in the Special Regulations, where need be, shall be expressed in monetary terms in a way as to facilitate the comparison of bids.

Article 34: Comparison of bids

The Evaluation sub-committee shall compare all the bids that substantially conform to determine the bid valued as the lowest, in application of article 33(4) of the General Regulations.

F. Award of the Contract

Article 35: Award of the contract

35.1. The Contracting Authority shall award the contract to the bidder whose bid was judged essentially in conformity with the Tender File and who has the required technical and financial capacities to execute the contract satisfactorily and whose bid was evaluated as the lowest by including, where necessary, proposed rebates.

35.2. If the REQUEST FOR QUOTATION has several lots, the lowest bid shall be determined by evaluating this contract in relation with the other lots to be awarded concurrently, by taking into consideration the rebates bided by the bidders in case of award of more than one lot, as well as their financial burden at the time of award.

Article 36: The right by the Contracting Authority to declare an REQUEST FOR QUOTATION unsuccessful or cancel a procedure

The Contracting Authority reserves the right to cancel a procedure of REQUEST FOR QUOTATION (after the authorization of the **Authority in charge of Public contracts** where the bids have been opened) or to declare an REQUEST FOR QUOTATION unsuccessful after the advice of the competent Tenders Board, without any claims being entertained.

Article 37: Right to modify quantities during the award of the contract

During the award of the contract the Contracting Authority reserves the right to increase or decrease by not more than fifteen per cent (15%), the quantity of the supplies and services initially specified in the Quantity Schedule, without changing the unit prices or other terms and conditions.

Article 38: Notification of the award of the contract

Before the expiry of the validity of the bids set in the Special Regulations, the Contracting Authority shall notify the successful bidder by telecopy confirmed by registered mail that his bid was retained. This letter will indicate the amount the Contracting Authority will pay the contractor to execute the contract and the time-limit.

Article 39: Publication of results of award and petitions

39.1. The Contracting Authority shall communicate to any bidder or administration concerned, upon request addressed to it within a maximum deadline of five (5) days after publication of the award results, the independent Observers report as well as the minutes of the award session of the related contract to which shall be attached the evaluation report of the bids.

39.2. The Contracting Authority is bound to communicate the reasons for the rejection of bids of the bidders concerned who so request.

39.3. After publication of the award results, bids that are not withdrawn within fifteen (15) days shall be destroyed, without any claims for compensation being entertained. Only the copy destined for the body in charge of regulation shall be kept.

39.4. In case of petition, it should be addressed to the Public Contracts Authority, with copies to the body in charge of the regulation of public contracts, the Contracting Authority or Delegated Contracting Authority and the chairperson of the Tenders Board.

It must take place within a maximum deadline of five (5) working days after the publication of the results.

Article 40: Signing of the contract

40.1. After publication of the results, the draft contract subscribed by the successful bidder shall be submitted to the Tenders Board (and the competent Specialized Contracts Control Board, where need be) for approval.

40.2. The Contracting Authority has seven (7) days to sign the contract from the date of reception of the draft contract approved by the competent Tenders Board and subscribed by the successful bidder.

40.3. The contract must be notified to the successful bidder within five (5) days of its date of signature.

Article 41: Final Bond

41.1. Within twenty (20) days of the notification by the Contracting Authority, the contractor shall furnish the Contracting Authority with a final bond in the form stipulated in the Special Regulations, in accordance with the model provided in the Tender File.

41.2. The bond may be replaced by a guarantee from a banking establishment approved according to the instruments in force with the Contracting Authority as beneficiary or by a joint or several guarantee.

41.3. Small and medium-sized enterprises (SME) constituted of national capital and managed by nationals may, in lieu of the guarantee, provide a statutory lien or a bond issued by a banking establishment or first rate financial institution approved in accordance with the instruments in force.

41.4. Failure to produce the final bond within the prescribed time-limit shall likely cause the termination of the contract.

Terms of Reference for the Acquisition of Waste Management Equipment for Nkambe Council (Phase II)

1. Background

The North West Development Authority (MIDENO) is an Administrative Public establishment created by Presidential Decree No. 81/350 in 1981 and placed under the Technical Tutelage of the Ministry in charge of Agriculture and Rural Development. The mandate of MIDENO is to accompany agropastoral and rural development in the Region as the secular arm of the state. The specific mission assigned to MIDENO by the Decree of its creation includes among others the following:

- Conducting development studies;
- Educating and training farmers;
- Organizing the community and promoting the cooperative movement;
- Improving farming methods and setting up pilot estates;
- Intensifying plant protection campaigns;
- Improving livestock production ;
- Granting and collecting loans;
- Transforming the socio-economic environment and improving the living conditions in rural areas
- Conducting any study, research or operations connect with rural development in the then North West Region
- Ask for any information that will enable it achieve its purpose from any government service, body or local authority and is to be consulted on any study or development programs to be carried out in the rural areas of the North West Region.

The North West Development Authority (MIDENO) is implementing a waste management project in Nkambe Council to promote environmental sustainability and sanitation. This initiative which began in 2024 aligns with Cameroon's National Development Strategy 2030 (NDS2030) and aims to reduce pollution, encourage recycling, and improve sanitation through household waste management. The project addresses serious waste disposal challenges in Nkambe, where unregulated waste dumping and burning pose environmental and health risks. Key objectives include public education on waste management, provision of waste-sorting equipment, and upgrading municipal waste disposal infrastructure. The initiative is expected to create employment, enhance public health, and promote organic manure production for agriculture.

The North West Development Authority in its commitment to improving waste management and environmental sanitation in Nkambe Council, seeks within the framework of the 2025 PIB (MINADER) to acquire essential equipment to enhance garbage collection and disposal within the municipality. This procurement aims to strengthen the waste management system and contribute to a cleaner and healthier environment.
