General Regulations of the invitation to tender

A. General

Article 1: Scope of offer

- 1.1 The Contracting Authority as defined in the Special Regulations of the invitation to tender hereby launches an invitation to tender in view of obtaining the supplies and ancillary services briefly described in the Special Regulations of the invitation to tender and specified in the Supplies Descriptive as well as in the Schedule of Quantities.

The name, identification number and number of lots which form the subject of the invitation to tender feature in the Special Regulations of the invitation to tender.

Hereafter reference is made to it under the theme “supplies”.

- 1.2 The preferred or successful bidder must furnish the supplies within the time-limit indicated in the Special Regulations of the invitation to tender and which runs, except otherwise stipulated in the SAC, from the date of notification of the Administrative Order to start the delivery of the supplies or that set in the said Administrative Order.

- 1.3 In this Tender File the term “day” means a calendar day.

Article 2: Financing

The source of financing of the supplies forming the subject of this invitation to tender shall be specified in the Special Regulations of the invitation to tender.

Article 3: Fraud and corruption

3.1 The Contracting Authority requires of bidders and their contractors the strict respect of rules of professional ethics during the award and execution of public contracts. By virtue of this principle, the Contracting Authority:

- a) defines, within the context of this clause, the following expressions in the following manner:
- i. Shall be guilty of “corruption” whoever offers, gives, requests or accepts any advantage in view of influencing the action of a public official during the award or execution of a contract;
 - ii. is involved in “fraudulent manoeuvres” whoever deforms or distorts facts in order to influence the award or execution of a contract;
 - iii. “collusive practices” mean any form of agreement between two or among several bidders (whether the Contracting Authority is aware or not) aimed at artificially maintaining the prices of offers at levels not corresponding with those which will result from the forces of competition;
 - iv. “coercive practices” mean any form of harm against persons or their property or threats against them in order to influence their action during the award or execution of a contract;
 - v. Conflict of interest shall mean any situation in which the financial or personal interest of an agent or public entity is likely to compromise transparency in the award of public contracts.
- b. Any award proposal shall be rejected if it determined that the proposed successful bidder is directly or through the intermediary of an agent, guilty of corruption or is involved in fraudulent manoeuvres, collusive or coercive practices in the award of this contract.

3.2 The Minister Delegate at the Presidency of the Republic in charge of Public Contracts may, as a temporary measure, take a decision to ban bidding for a period not exceeding two (2) years against any bidder guilty of influence peddling, conflict of interest, insider information, fraud, corruption, or production of non-authentic documents in his offer, without prejudice to legal action that may be taken against him.

Article 4: Candidates allowed to compete

4.1 If the invitation to tender is restricted, consultation is addressed to all candidates retained after a pre-qualification procedure.

4.2 Generally, the invitation to tender is addressed to all suppliers, subject to the following provisions:

- (a) a bidder (including all members of a group of enterprises and all sub-contractors to the bidder) must be from an eligible country, in accordance with the funding agreement.
- (b) a bidder (including all members of a group of enterprises and all sub-contractors to the bidder) must not be in a situation of conflict of interest.

A bidder shall be judged to be in a situation of conflict of interest if he:

- i) is or was associated in the past in an enterprise (or a subsidiary of this enterprise) which provided consultancy services for the conception, preparation of specifications and other documents used within the scope of contracts awarded for this invitation to tender; or
 - ii) presents more than one bid within the context of this invitation to tender, except authorised variants according to article 17, where need be; meanwhile, this does not prevent the participation of sub-contractors in more than one bid; or
 - iii) the Contracting Authority or Project Owner has financial interests in the share capital in way as to compromise the transparency of the contracts award procedure.
- (c) The bidder must not have been excluded from bidding for public contracts.
 - (d) A Cameroonian public enterprise may participate in the consultation if it can demonstrate that it is (i) legally and financially autonomous, (ii) managed according to commercial laws and (iii) not under the direct or indirect supervisory authority of the Contracting Authority or Project Owner.

Article 5: Supplies and ancillary services meeting the criteria of origin

5.1 All supplies and ancillary services forming the subject of this contract must come from countries meeting the criteria of origin defined in the Special Regulations of the invitation to tender.

5.2 Within the meaning of this article 5(1) above, the term “supplies” shall refer to products, raw materials, machines, equipment and industrial installations; and the term “ancillary services” shall notably refer to services such as insurance, installation, training and initial maintenance.

5.3 The term “originate” shall qualify the country where the supplies are extracted, cultivated, produced, manufactured or transformed; or the country where a manufacturing, transformation or Council of components process results in the obtention of a commercial article whose basic characteristics are substantially different from those of its components.

Article 6: Qualification of bidder

6.1 As an integral part of their offer, bidders must:

- (a) submit a power of attorney making the signatory of the bid bound by the offer; and
- (b) furnish all the information (to complete or update the information included in the request for pre-qualification which may have changed in the case where the candidates had to pre-qualify)

requested from bidders in the Special Regulations, in order to establish their ability to execute the contract; furnish all the information (or update the information included in their request for pre-qualification which may have changed) requested from the bidders in order to establish their ability to execute the contract.

Information relating to the following points shall be requested, if need be:

- (i) The production of certified balance sheets and recent turnover;
- (ii) access to a credit line or availability of other financial resources;
- (iii) orders acquired and contracts awarded;
- (iv) pending litigations; and
- (v) Availability of indispensable equipment.

6.2 Bids presented by two or more associated undertakings (joint-contracting) must satisfy the following conditions:

- a. The bids must include all the information listed in article 6(1) above. The Special Regulations must specify the information to be furnished by the group and the information to be furnished by each member of the group;
- b. The bid and the contract must be signed in a way that is binding on all members of the group;
- c. The nature of the group (*joint or several*) must be specified and justified with the production of a joint venture agreement in due form;
- d. The member of the group designated as the representative shall represent all the undertakings vis à vis the Contracting Authority in the execution of the contract.
- e. In case of joint co-contracting, the co-contractors shall share the sums which are paid by the Administration into a single account; on the other hand, each undertaking is paid in its own account by the Administration where it is several co-contracting.

6.3 Bidders should equally present sufficiently detailed proposals to demonstrate that they conform to the technical specifications and delivery time limits set in the Special Regulations of the invitation to tender.

B. Tender File

Document No. 10	Models to be used by bidders;
Document No. 11	List of first-rate banking establishments and financial bodies approved by the Ministry in charge of finance authorised to issue bonds for public contracts

7.2 The bidder must examine all the rules, forms, conditions and specifications contained in the Tender file. It is up to him to furnish all the information requested and prepare a bid in conformity with all aspects of the said file.

Article 8: Clarifications on the Tender File

8.1 Any bidder who wants to obtain clarifications on the Tender File may request them from the Contracting Authority in writing or by electronic mail (telecopy or e-mail) at the Contracting Authority's address indicated in the Special Regulations of the invitation to tender. The Contracting Authority shall reply in writing to any request for clarification received at least fourteen (14) days prior to the deadline for the submission of the offers.

A copy of the Contracting Authority's response, indicating the question posed but not mentioning the author, is addressed to all bidders who bought the Tender File.

8.2 Between the publication of the tender notice including the pre-qualification phase of candidates and the opening of bids, any bidder who feels aggrieved in the public contracts award procedure may lodge a complaint to the Minister Delegate in charge of public contracts.

8.3 The complaint must be addressed to the Contracting Authority with copies to the body in charge of the regulation of public contracts and the chairperson of the Tenders Board.

8.4 The Contracting Authority has five (5) days to react. A copy of the reaction shall be forwarded to the body in charge of the regulation of public contracts.

Article 9: Amendment of the Tender File

9.1 The Contracting Authority may at any moment prior to the deadline for the submission of offers and for any reason, be it at his initiative or in reply to a request for clarification formulated by a bidder, amend the Tender File by publishing an addendum.

9.2 Any published addendum shall be an integral part of the Tender File, in accordance with article 7.1 of the General Regulations of the invitation to tender and must be communicated in writing or made known to all bidders who bought the Tender File. The latter must acknowledge receipt of each of the addenda in writing to the Contracting Authority.

9.3 In order to give bidders sufficient time to take account of the addendum in the preparation of their bids, the Contracting Authority may postpone as is necessary, the deadline for the submission of bids, in accordance with provisions of article 23.2 of the General Regulations of the invitation to tender.

C. Preparation of bids

Article 10: Bidding fees

The candidate shall bear the costs related to the preparation and presentation of his bid and the Contracting Authority shall in no case be responsible for these costs nor pay them whatever the evolution or outcome of the invitation to tender procedure.

Article 11: Language of bid

The bid as well as any correspondence and all documents concerning the bid exchanged between the bidder and the Contracting Authority shall be drafted in English or French. Complementary documents and the forms provided by the bidder may be drafted in either language on condition that a precise translation into either English or French of the passages concerning the bid is included; in which case and for reasons of interpretation of the bid, the translation shall be considered to be authentic.

Article 12: Constituent documents of the bid

12.1 The bid presented by the bidder shall include the documents detailed in the Special Regulations of the invitation to tender, duly filled and put together in three volumes:

a. Volume 1: Administrative file

It includes:

- i - all documents attesting that the bidder:
 - has subscribed to all declarations provided for by the laws and regulations in force;
 - paid all taxes, duties, contributions, fees or deductions of whatever nature;
 - is not winding up or bankrupt;
 - is not the subject of an exclusion order or forfeiture provided for by the law in force;
- ii) The bid bond established in accordance with the provisions of article 19 of the General Regulations of the invitation to tender;
- iii) the written confirmation empowering the signatory of the bid committing the bidder, in accordance with the provisions of article 6.1 the General Regulations of invitation to tender.

b. Volume 2: Technical bid

c. 1 Information on qualifications

The Special Regulations of the invitation to tender specify the documents to be furnished by the bidders attesting to the qualification to bid in accordance with articles 6(1), 6(2) and 18 of the General Regulations.

b. 2 Technical proposals

The Special Regulations specify the constituent elements of the technical proposals of bidders notably:

- A detailed description of the technical characteristics, performance, makes, models and references of the materials proposed including technical prospectuses in accordance with article 17 of the General Regulations;
- The calendar, schedule and delivery deadline.

B.3 Proof of acceptance of conditions of the contract

The bidder shall submit duly initialled copies of administrative and technical documents relating to the contract, namely:

1. The Special Administrative Conditions (SAC);
2. Technical specifications.

d. Volume 3: Financial bid

The Special Regulations specify the elements that will help in justifying the cost of the services, namely:

1. The signed and dated original bid prepared according to the attached model, stamped at the prevailing rate;
2. The duly filled Schedule of unit and/or all-in prices;
3. The duly filled detailed estimates;
4. The sub-details of prices and/or breakdown of all-in prices;

To this effect, bidders should use the model documents and forms provided for in the Tender File, subject to the provisions of article 19(2) of the General Regulations of invitation to tender concerning the other possible forms of bid bond.

- 12.2 If in accordance with the provisions of the Special Regulations of invitation to tender, the bidders present bids for several lots of the same invitation to tender, they could indicate rebates offered in case of award of more than one lot.

Article 13: Bid price

- 13.1 Prices shall be indicated as required in the model schedules of prices and sub-details of prices furnished in annex.

In indicating the price, the supplier is free to use the services of a transporter and to obtain insurance services from any country, subject to the conditions of eligibility attached to the financing agreement.

Prices proposed in the schedules of sub-details of prices for Supplies and Ancillary Services shall be presented in the following manner:

- a. For supplies manufactured in Cameroon:
 - i. Prices exclusive of taxes of supplies at the local level;
 - ii. Sales and other taxes collected on the supplies which will be due if the contract is awarded;
 - iii. The price of domestic transportation, insurance and other local services related to the delivery of the supplies up to their final destination (project site) specified in the Special Regulations of the invitation to tender.

- 13.2 The prices offered by the bidder should be firm during the whole duration of the execution of the contract and should not way in any manner vary, except there is a contrary provision in the Special Regulations. A bid including a price revision clause will be considered as not being in conformity and set aside, in accordance with article 29(3) of the General Regulations.

- 13.3 In the case where the invitation to tender has several lots, the prices indicated for any given lot should correspond to the total of the articles of each lot and the total quantity indicated for each article. Bidders wishing to offer a rebate in the case of the award of more than one contract shall specify the rebates applicable on each group of lots or each contract of the group of lots, on condition that all the bids are submitted and opened at the same time.

Article 14: Currency of bid

Prices shall be drawn in the CFA franc.

Article 15: Documents attesting to the eligibility of the bidder

The bidder shall furnish as full part of his bid, documents attesting that he meets the conditions of the provisions of article 4 of the General Regulations.

Article 16: Documents attesting to the admissibility of supplies

- 16.1 In application of the provisions of article 5 of the General Regulations, the bidder shall furnish as a full part of his bid, documents attesting that all the supplies and services which he proposes to furnish in execution of the contract meet the criteria of origin.
- 16.2 These documents will consist of a declaration of country of origin of the supplies and services proposed in the Schedule of prices, declaration to be confirmed by a certificate of origin at the time of shipment.

Article 17: Documents attesting to the conformity of supplies

- 17.1 To establish the conformity of supplies and ancillary services of the Tender File, the bidder shall, within the scope of his bid, provide written proofs that the supplies conform to the technical specifications and standards mentioned in the Supplies Description.

- 17.2 These proofs may take the form of prospectus, drawings or data and include a detailed description of the main technical and performance characteristics of the supplies and ancillary services, demonstrating that they essentially correspond to the specifications and, where need be, a list of differences and reservations in relation to the provisions of the Supplies Description.
- 17.3 The bidder shall also provide a list giving all the details, including the available sources of supply and the current prices of spare parts, special tools, etc necessary for the proper and continuous functioning of the supplies from the start of their use by the Project Owner and during the period specified in the Special Regulations.
- 17.4 The standards which apply to the execution methods, manufacturing processes, equipment and materials as well as references to trademarks or catalogue numbers specified by the Project Owner or Delegated Project Owner in the Quantity Schedule, delivery calendar and technical specifications are mentioned only for information and in no way have a restrictive character. The bidder may substitute them with other quality standards, trademarks and/or other catalogue numbers provided that he establishes to the satisfaction of the Project Owner that the standards, makes and numbers thus substituted are substantially equivalent or superior to the specifications of the Schedule of prices and technical specification.

Article 18: Documents attesting to the bidder's qualification

Documents attesting that the bidder is qualified to execute the contract if his offer is accepted shall establish to the satisfaction of the Contracting Authority that:

- a) in the case where the bidder offers to deliver in execution of the contract, supplies which moreover he does not manufacture or produce, the said bidder is duly authorised by the manufacturer of these supplies to deliver them in Cameroon;
- b) the bidder has the financial, technical and production capacity necessary to execute the contract;
- c) The supplier has the relevant experience similar to that provided for in the Tender File.

Article 19: Bid bond

- 19.1 In application of article 12 of the General Regulations, the bidder shall furnish a bid bond of the amount specified in the Special Regulations and which shall become a full part of his offer.
- 19.2 The bid bond must conform to the model presented in the Tender File; other models may be authorised subject to the prior approval of the Contracting Authority. The bid bond will remain valid for thirty (30) days beyond the original date set for the validity of bids or any other validity time-limit requested by the Contracting Authority and accepted by the bidder, in accordance with article 20(2) of the General Regulations.
- 19.3 Any bid without an acceptable bid bond shall be rejected by the (Tenders Board) as not being in conformity. The bid bond of associated enterprises must be established in the name of the representative submitting the bid and should mention each member of the associated grouping.
- 19.4 The bid bonds of bidders who are not retained shall be returned within fifteen (15) days after publication of the award result.
- 19.5 The bid bond of the successful bidder shall be released as soon as the latter would have signed the contract and furnished the required final bond.
- 19.6 The bid bond may be seized:
- a) if the bidder:
 - i) withdraws his bid during the time-limit which he specified in his bid;

- ii) does not accept the correction of errors in application of article 30(4) of the General Regulations; or
- b) if the bidder retained:
 - i) defaults in his obligation to sign the contract in application of article 42 of the General Regulations; or
 - ii) defaults in his obligation to furnish the final bond in application of article 43 of the General Regulations.

Article 20: Validity of bids

- 20.1 Bids must remain valid during the period stated in the Special Regulations from the date of submission of the offers set by the Contracting Authority in application of article 23 of the General Regulations. A bid valid for a shorter period shall be rejected by the Contracting Authority as not being in conformity.
- 20.2 Under exceptional circumstances, the Contracting Authority may request the consent of the bidder for the prolongation of the validity time-limit. The request and the responses that will be given shall be in writing (or by telecopy). The validity of the bid bond provided for in article 19 of the General Regulations shall equally be extended for a corresponding duration. A bidder may refuse to extend the validity of his bid without losing his bid bond. A bidder who consents to an extension shall not be asked to modify his bid nor be authorised to do so.
- 20.3 Where the contract does not include a price revision clause and that the period of validity of offers is extended for more than sixty (60) days, the amounts payable to the bidder retained shall be updated by application of the related formula featuring in the request for extension that the Contracting Authority shall address to bidders. The Contracting Authority's request must include a form of price revision. The updating period shall run from the date of overrun of the sixty (60) days to the date of notification of the contract or the Administrative Order for start of execution of services by the retained bidder, as specified in the Special Administrative Conditions. The effect of updating shall not be taken into account for purposes of evaluation.

Article 21: Form and signature of the bid

- 21.1 The bidder shall prepare an original of the constituent documents described in article 12 of the General Regulations in a volume clearly indicated "**ORIGINAL**". In addition, the bidder shall submit the number required in the General Regulations, bearing "**COPY**". In case of discrepancy, the original shall be considered as authentic.
- 21.2 The original and copies of the bid must be typed or written in indelible ink (photocopies shall be accepted in the case of copies) and must be signed by the person(s) duly empowered to sign on behalf of the bidder, in accordance with article 6(1a) or 6(2c) of the General Regulations, as the case may be. All the pages of the bid containing alterations or changes must be initialled by the signatory (ies) of the bid.
- 21.3 The bid shall bear no modification, suppression or alteration, unless such corrections are initialled by the signatory (ies) of the offer.

D. Submission of bids

Article 22: Sealing and marking of bids

- 22.1 The bidder shall place the original and each of the copies of the bid in separate and sealed envelopes bearing the inscription "**ORIGINAL**" and "**COPY**", as the case may be. These envelopes should then be placed in another envelope which should equally be sealed and which provides no indication on the identity of the bidder.
- 22.2 The external and internal envelopes:

- a) should be addressed to the Contracting Authority at the address indicated in the Special Regulations;
- b) should bear the name of the project as well as the subject and number of the invitation to tender indicated in the Special Regulations and the inscription :

“TO BE OPENED ONLY DURING THE BID-OPENING SESSION”.

22.3 The internal bids should equally carry the name and address of the bidder in a way as to enable the Contracting Authority return the sealed offer if it is not opened.

22.4 If the external envelopes are not sealed and marked as indicated in article 22(2) above, the Contracting Authority shall not be responsible if the bid is misplaced or opened prematurely.

For online submission, the Tender must be submitted by the Tenderer on the COLEPS Platform not later than __/__/2026 at 10:00am. A backup copy of the Tender saved In a USB key or a CD/DVD must be sent in a sealed envelope with a clear and legible indication “backup copy” bearing the aforementioned label, within the time limit.

- 15 Mb for the Technical offers;
- 5 Mb for the financial offers.

Supported formats shall include:

- PDF formats for texts documents;
- JPEG formats for images.

The Tenderer shall use a compression software to reduce the size of the file to be submitted

Article 23: Date and time-limit for submission of bids

23.1 The bids must be received by the Contracting Authority at the address specified in article 22(2a) of the Special Regulations not later than the date and time stated in the Special Regulations of the invitation to tender.

23.2 The Contracting Authority may, at his discretion, postpone the deadline set for the submission of the bids by publishing an addendum in accordance with the provisions of article 9 of the General Regulations. In this case, all the rights and obligations of the Contracting Authority and bidders previously governed by the initial date will henceforth be governed by the new date.

Article 24: Late bids

Any bid received by the Contracting Authority beyond the deadline for the submission of bids set by the Contracting Authority in application of article 23 of the General Regulations shall be declared late and consequently rejected.

Article 25: Modification, substitution and withdrawal of bids

25.1 A bidder may modify, replace or withdraw his bid after submitting it, on condition that the written notification of the modification or withdrawal is received by the Contracting Authority prior to the end of the time-limit prescribed for the submission of bids. The said notification must be signed by an authorised representative in application of article 21(2) of the General Regulations.

The modification or the corresponding replacement bid must be attached to the written notification. As the case may be, the envelopes must bear the inscription “**WITHDRAWAL**”, and “**REPLACEMENTBID**” or “**MODIFICATION**”.

25.2 The notification of modification, replacement or withdrawal should be prepared, sealed, marked and forwarded in accordance with the provisions of article 22 of the General Regulations. The

withdrawal may equally be notified by telephone but should, in this case, be confirmed by a duly signed written notification whose date, post mark being authentic, must not be posterior to the time-limit set for the submission of offers.

25.3 Bids being requested to be withdrawn in application of article 25(1) shall be returned unopened.

25.4 No bid may be withdrawn in the interval between the deadline set for the submission of bids and the expiry of the validity period of the bids set in the model bid. The withdrawal of a bid by a bidder during this interval may lead to the confiscation of the bid bond in accordance with the provisions of article 19(6) of the General Regulations.

E. Opening of envelopes and evaluation of bids

Article 26: Opening of envelopes and petitions

26.1 The competent Tenders Board shall open the envelopes in single or two phases in the presence of the representatives of bidders who wish to attend and who have a perfect mastery of the file, at the date, time and address specified in the Special Regulations. Representatives of bidders present shall sign a register attesting to their presence.

26.2 Firstly, envelopes marked "withdrawal" shall be opened and the contents announced to the hearing of everyone, while the envelope containing the corresponding bid shall be returned to the bidder unopened. Withdrawal of a bid shall be allowed only if the corresponding notification contains a valid empowerment of the signatory to request this withdrawal and if this notification is read to the hearing of everyone. Then the envelopes marked "Replacement bid" are opened and announced to the hearing of everyone and the new corresponding bid substituted for the preceding one which will be sent to the bidder concerned unopened.

The replacement of a bid shall only be allowed if the corresponding notification contains a valid empowerment of the signatory requesting the replacement and read to the hearing of everyone. Lastly, the envelopes marked "modification" shall be opened and their contents read to the hearing of everyone with the corresponding bid. The modification of the bid shall only be allowed only if the corresponding notification contains a valid empowerment of the signatory requesting the modification and read to the hearing of everyone. Only bids which were opened and announced to the hearing of everyone during the opening of bids shall then be evaluated

26.3 All envelopes shall be opened successively and the name of the bidder announced aloud as well as the possible modification mentioned, the price offered, including any rebates [*in case of opening of financial bids*] and any variant, where necessary, the existence of a guarantee of the bid if it is required and any other details which the Contracting Authority deems useful to be mentioned. Only rebates and variants of bids announced to the hearing of everyone during the opening of bids shall be submitted for evaluation.

26.4 Bids (and modifications received in accordance with the provisions of article 24 of the General Regulations) which were not opened and read to the hearing of everyone during the bid-opening session for whatever reason, shall not be submitted for evaluation.

26.5 Bid-opening minutes are recorded on the spot mentioning the admissibility of bids, their administrative regularity, prices, rebates and time-limits as well as the composition of the Evaluation sub-committee. A copy of the said minutes to which is appended the attendance sheet is handed over to all the participants at the end of the session.

26.6 At the end of each bid-opening session, the chairperson of the Tenders Board immediately hands over to the focal point designated by ARMP an initialled copy of the bids presented by bidders and a copy to MINMAP for files requiring his prior endorsement.

26.7 In case of petition as provided for by the Public Contracts Code, it should be addressed to the Minister Delegate at the Presidency of the Republic in charge of Public Contracts with copies to the

body in charge of the regulation of public contracts, the head of structure to which is attached the Tenders Board concerned.

It must reach within a maximum deadline of three (3) working days after the opening of bids in the form of a letter to which is obligatorily attached a sheet of the petition form duly signed by the petitioner and possibly by the chairperson of the Tenders Board.

The Independent Observer must attach to his report the sheet that was handed to him, including any related commentaries or observations.

Article 27: Confidential nature of the procedure

27.1 No information relating to the examination, evaluation, comparison of bids and verification of the qualification of bidders and the contract award recommendation shall be given to bidders or to any other person concerned with the said procedure as long as the contract award has not been made public, subject to the disqualification of the bidder and the suspension of the authors from all activities related to public contracts.

27.2 Any attempt by a bidder to influence the Tenders Board or the Evaluation sub-committee of the bids or the Contracting Authority in their award decision may cause the rejection of his bid.

27.3 Notwithstanding the provisions of article 27(2), between the opening of envelopes and the award of the contract, if a bidder wishes to enter into contact with the Contracting Authority for reasons having to do with his bid, he should do so in writing.

Article 28: Clarifications on the bids and Jobbing Order with the Contracting Authority

28.1 To ease the examination, evaluation and comparison of bids, the Tenders Board may, if it desires, request any bidder to give clarifications on his bid. This request for clarification and the response given are formulated in writing but no change on the amount or content of the bid is sought, offered or authorised, except it is necessary to confirm the correction of calculation errors discovered by the Evaluation sub-committee during the evaluation in accordance with the provisions of article 32 of the General Regulations.

28.2 Subject to the provisions of paragraph 1 above, bidders shall not contact members of the Tenders Board and the Evaluation sub-committee for questions related to their bids, between the opening of envelopes and the award of the contract.

Article 29: Conformity of bids

29.1 The Evaluation sub-committee shall carry out a detailed examination of bids to determine if they are complete, if the required guarantees are furnished, if the documents were correctly signed and if generally the bids are in proper order.

29.2 The Evaluation sub-committee shall determine if the bid is essentially in conformity with the conditions fixed in the Tender File based on the content without recourse to external elements of proof.

29.3 A bid that conforms to the Tender File shall essentially be a bid that respects all the terms, conditions and specifications of the Tender File, without substantial divergence or reservation. A substantial divergence or omission is that:

- a. which substantially limits the scope, quality or performance of the supplies and ancillary services specified in the contract;
- b. which substantially limits and is not in conformity with the Tender File, the rights of the Contracting Authority or the obligations of the bidder in relation to the contract; or

c. whose acceptance would be prejudicial to other bidders who presented bids that essentially conformed with the Tender File.

29.4 If a bid is essentially not in compliance, it shall be rejected by the competent Tenders Board and shall not eventually be rendered in compliance.

29.5 The Contracting Authority reserves the right to accept or reject any modification, divergence or reservation. Modifications, divergences, variants and other factors which are beyond the requirements of the Tender File shall not be considered during the evaluation of bids.

Article 30: Evaluation of technical bid

30.1 The Evaluation sub-committee shall examine the bid to confirm that all the conditions fixed in the Special Regulations and Special Administrative Conditions were accepted by the bidder without substantial difference or reservation.

30.2 The sub-committee shall evaluate the technical aspects of the bid presented in accordance with article 17 of the General Regulations in order to ensure that all the stipulations of the Schedule of prices, delivery calendar and Supplies Specification (technical specifications, plans, inspections and trials) are respected without substantial difference or reservation.

30.3 If after the examination of the terms and conditions of the invitation to tender and the technical evaluation, the Evaluation sub-committee establishes that the bid does not essentially conform in application of article 29 of the General Regulations, it shall propose to the Tenders Board that the said bid be set aside.

Article 31: Qualification of the bidder

The Evaluation sub-committee shall ensure that the bidder retained for having submitted the bid that substantially conformed to the provisions of the Tender File, meets the qualification criteria stipulated in article 6 of the Special Regulations. It is essential to avoid arbitrariness in determining qualification.

Article 32: Correction of errors

32.1 The Evaluation sub-committee shall verify the bids considered essentially in conformity with the Tender File to rectify the possible calculation errors. The sub-committee shall rectify the errors in the following manner:

- a) If there is a contradiction between the unit price and the total obtained by multiplying the unit price by the quantities, the unit price shall be authentic and the total price shall be corrected, unless, according to the Evaluation sub-committee, the decimal point of the unit price is manifestly badly placed. In which case the total price indicated shall prevail and the unit price corrected.
- b) If the total obtained by the addition or subtraction of sub totals is not exact, the sub totals shall be authentic and the total corrected;
- c) If there is a contradiction between the indicated price in letters and figures, the amount in letters shall be authentic, unless the amount is linked to an arithmetical error, in which case the amount in figures shall prevail subject to paragraphs a) and b) above.

32.2 The amount featuring in the bid shall be corrected by the Evaluation sub-committee in accordance with the error correction procedure referred to above and with the confirmation of the bidder, the said amount shall be considered to commit him.

32.3 If the bidder who presented the bid assessed as being the lowest bid does not accept the corrections, his bid shall be rejected and his bond may be seized.

Article 33: Financial evaluation of bids

33.1 The Evaluation sub-committee shall proceed to the evaluation and comparison of bids which it had determined essentially met the provisions of the Tender File within the meaning of articles 29, 30 and 31 of the General Regulations.

33.2 For this evaluation the Evaluation sub-committee shall consider the following elements:

- a) the bid price, indicated according to the provisions of article 13 of the General Regulations;
- b) adjustments made on the price to correct the arithmetical errors in application of article 32 of the General Regulations;
- c) adjustments made on the price as a result of rebates offered in application of paragraph 13(4) of the General Conditions;

33.3 To evaluate the bid price, the Evaluation sub-committee may equally consider factors other than the bid price indicated including the characteristics, performance of the supplies and ancillary services and purchase conditions.

The factors retained and specified in the Special Regulations, where need be, shall be expressed in monetary terms in a way as to facilitate the comparison of bids.

Article 34: Comparison of bids

The Evaluation sub-committee shall compare all the bids that substantially conform to determine the bid valued as the lowest, in application of articles 34 above.

F. Award of the Jobbing Order

Article 35: Award of the Jobbing Order

- 35.1 The Contracting Authority shall award the Jobbing Order to the bidder whose bid was judged essentially in conformity with the Tender File and who has the required technical and financial capacities to execute the contract satisfactorily and whose bid was evaluated as the lowest by including, where necessary, proposed rebates.
- 35.2 If the invitation to tender has several lots, the lowest bid shall be determined by evaluating this contract in relation with the other lots to be awarded concurrently, by taking into consideration the rebates offered by the bidders in case of award of more than one lot, as well as their financial situation at the time of award.
- 35.3 Any award of supplies Jobbing Order shall be to the bidder meeting all the technical and financial capacities resulting from the required essential or eliminatory criteria and presenting the bid evaluated as the lowest.

Article 36: The right by the Contracting Authority to declare an invitation to tender unsuccessful or cancel a procedure

The Contracting Authority reserves the right to cancel a procedure of invitation to tender after the authorisation of the Minister in charge of public contracts where the offers have been opened or to declare an invitation to tender unsuccessful after the advice of the competent Tenders Board, without any claims being entertained.

Article 37: Right to modify quantities during the award of the Jobbing Order

During the award of the Jobbing Order, the Contracting Authority reserves the right to increase or decrease by not more than fifteen per cent (15%), the quantity of the supplies and services initially specified in the Quantity Schedule, without changing the unit prices or other terms and conditions.

Article 38: Notification of the award of the Jobbing Order

Before the expiry of the validity of the bids set in the Special Regulations, the Contracting Authority shall notify the successful bidder by telecopy confirmed by registered mail that his bid

was retained. This letter shall indicate the amount the Project Owner will pay the supplier to execute the Jobbing Order and the execution time-limit.

Article 39: Publication of results of award and petitions

- 39.1 Any award decision of a public contract by the Project Owner or the Delegated Project Owner shall be inserted with an indication of the price and deadline in the Public Contracts Journal published by the body in charge of the regulation of public contracts or any other publications authorised to do so.
- 39.2 The Contracting Authority shall communicate to any bidder or administration concerned, upon request addressed to it within a maximum deadline of five (5) days after publication of the award results, the Independent Observer's report as well as the minutes of the award session of the related contract to which shall be appended the evaluation report of the bids.
- 39.3 The Contracting Authority is bound to communicate the reasons for the rejection of bids of the bidders concerned who so request.
- 39.4 After publication of the award results, bids that are not withdrawn within fifteen (15) days shall be destroyed, without any claims for compensation being entertained. Only the copy destined for the body in charge of regulation shall be kept.
- 39.5 In case of petition, it should be addressed to the Minister Delegate in charge of Public Contracts with copies to the Public Contracts Regulatory Agency, the Contracting Authority and the chairperson of the said Tenders Board.
It must take place within a maximum deadline of five (5) working days after the publication of the results.

Article 40: Signing of the Jobbing Order

- 40.1 After publication of the results, the draft contract subscribed by the successful bidder shall be submitted to the Tenders Board for examination and opinion and where applicable to the prior endorsement of the Minister in charge of public contracts. .
- 40.2 The Contracting Authority has seven (7) days to sign the Jobbing Order from the date of reception of the draft contract approved by the competent Tenders Board and subscribed by the successful bidder and where applicable after the endorsement of the Minister in charge of Public Contracts.
- 40.3 The contract must be notified to the successful bidder within five (5) days of its date of signature.

Article 41: Final Bond

- 41.1 Within twenty (20) days of the notification by the Contracting Authority, the supplier shall furnish the Project Owner with a final bond in the form stipulated in the Special Regulations, in accordance with the model provided in the Tender File.
- 41.2 The bond shall be 2% of the amount of the Jobbing Order inclusive of all taxes, may be replaced by a guarantee from a banking establishment in accordance with the instruments in force with the Contracting Authority as beneficiary or by a joint or several guarantee.
- 41.3 Small and medium-sized enterprises (SME) constituted of nationals may, in lieu of the guarantee, provide a statutory lien or a bond issued by a banking establishment or a first-rate financial institution approved in accordance with the instruments in force.
- 41.4 Failure to produce the final bond within the prescribed time-limit shall likely cause the termination of the contract.
