**INVITATION TO TENDER**

## OPEN NATIONAL INVITATION TO TENDER

**N° 07 /ONIT/MINDDEVEL/ EC / ECITB / 2026 OF 19/01/2026 FOR THE REHABILITATION OF THE ICHIM INTEGRATED HEALTH CENTER IN ELAK COUNCIL AREA, BUI DIVISION, NORTH-WEST REGION .**

### **Subject of the invitation to tender:**

Within the framework of the 2026 Public Investment Budget (PIB), the LORD MAYOR OF ELAK "Contracting Authority" hereby launches an **Open National Invitation to tender N° 07/ONIT/MINDDEVEL/ EC / ECITB / 2026 OF 19/01/2026 FOR THE REHABILITATION OF THE ICHIM INTEGRATED HEALTH CENTER IN ELAK COUNCIL AREA, BUI DIVISION, NORTH-WEST REGION .** This invitation to tender comprises one (01) lot as follows:

Lot N°	Project	Locality	Amount for bid bond	Project Amount	Budget Heads	Duration in months
01	REHABILITATION OF THE ICHIM INTEGRATED HEALTH CENTER IN ELAK COUNCIL AREA, BUI DIVISION, AND NORTH-WEST REGION.	ICHIM	250,000	50.000.000		04

### **Nature of services**

Work to be done consists of THE REHABILITATION OF THE ICHIM INTEGRATED HEALTH CENTER IN ELAK COUNCIL AREA, BUI DIVISION, NORTH-WEST REGION

The works comprise notably

1. PRELIMINARY WORKS
2. DEMOLITION WORKS
3. MASONARY AND WOODWORK
4. TILLING
5. ROOFING/CEILING WORK
6. DOORS/WINDOWS AND ACCESSORIES
7. METALLIC WORKS
8. PAINTING
9. PLUMBING/SANITARY WORKS
10. ELECTRICITY

### ✓ Execution deadline

The maximum execution deadline shall be **four (04)** calendar months, including the rainy season and other vagaries, with effect from the date of notification of the administrative order of work commencement.

### ✓ Participation and origin:

Participation in this invitation to tender is open to Cameroonian enterprises that are in compliance with the fiscal laws and having a good experience in the domain concerned.

### ✓ Financing

The said Works shall be financed by the **Public Investment Budget (PIB) of the MINSANTE for the 2026** financial year assigned to the Lord Mayor of Elak Council as Authorizing officers with Budget Heads N°. \_\_\_\_\_

## **6. Bid Bond:**

Each bidder should include in his administrative document, a bid bond of **250,000 (TWO HUNDRED AND FIFTY THOUSAND) FCFA** issued by a first rate-bank or financial institution approved by the Ministry in charge of Finance in conformity with COBAC conditions and backed by a receipt of payment of the same amount at the "Caisse des Depots et Consignations –CDEC" .

Against the risk of being rejected, only originals or true copies certified by the issuing service or administrative authorities of the administrative document required, including the bid bond, shall imperatively be produced in accordance with the Special Conditions of the invitation to tender. They shall neither be older than three (03) months nor be produced before the signing of the tender notice.

Any offer not in conformity with the prescriptions of this notice and tender file shall not be accepted, especially the absence of a bid bond issued by a first rate-bank or financial institution approved by the Ministry in charge of Finance, or the non-respect of the model of the tender file documents, shall lead to a pure and simple rejection of the offer without any appeal being entertained

## **7. Consultation of tender file:**

Interested eligible bidders may obtain further information during working hours as from the date of publication of this tender notice, at the Elak Council Complex or through Telephone **N°. 670 788 687**

## **8. Acquisition of tender file:**

The file may be obtained at the Elak Council, **at the Service for the award of Public Contracts (SIGAMP)**, Telephone **N°. 670 788 687** as soon as this notice is published against payment of a non-refundable sum of **100,000 (ONE HUNDRED THOUSAND) FCFA** payable at the Council Treasury representing the cost of purchasing the tender file.

## **9. Submission of Bids:**

Each offer drafted in English or French in **07 (Seven) copies including 01 (one) original and 06 (six) copies** marked as such, should reach the Service for the award of Public Contracts Elak Council, not later than **Friday 20/02/2026 at 10.00 am** local time. It should be labelled as follows:

**"OPEN NATIONAL INVITATION TO TENDER**

**N° 07 /ONIT/MINDDEVEL/ EC / ECITB / 2026 OF 19/01/2026 FOR THE REHABILITATION OF THE ICHIM INTEGRATED HEALTH CENTER IN VILLAGE ELAK COUNCIL AREA, BUI DIVISION, NORTH-WEST REGION.**

**TO BE OPENED ONLY DURING THE BID OPENING SESSION"**

## **10. Admissibility of bids**

Under penalty of being rejected, only originals or true copies certified by the issuing service must imperatively be produced in accordance with the Special Regulations of the invitation to tender.

They must obligatorily not be older than three (3) months preceding the date of submission of bids or may be established after the signature of the tender notice

Any bid not in compliance with the prescriptions of the Tender File shall be declared inadmissible. This refers especially to the absence of a bid bond issued by a first-rate bank approved by the Minister in charge of Finance.

## **11. Opening of bids**

The bids shall be opened in single phase. The opening of the Administrative documents, Technical and Financial offers shall take place on **Friday the 20/02/2026 at 11 am** local time, in the Elak Council Conference Hall.

Only bidders may attend or be represented by duly mandated persons of their choice.

## **12. Evaluation criteria**

There are two types of evaluation criteria: eliminatory and essential criteria. [The aim of these criteria is to identify and reject incomplete bids or bids not in conformity with the essential conditions laid down in the Tender File.

### **i. Eliminatory Criteria.**

They refer especially to:

- ◆ Absence or insufficient bid bond,
- ◆ Absence of administrative document not rectified within 48hours,
- ◆ Deadline for execution higher than prescribed,
- ◆ Incomplete financial offer,
- ◆ Mark or sign on an envelope leading to the identification of bidder
- ◆ False declaration or forged document,
- ◆ Noncompliance with major technical specifications (to be listed),
- ◆ Technical assessment mark lower than **75%** of "Yes",
- ◆ Suspension of the enterprise by ARMP.
- ◆ Two enterprises with same workers

### **i. Essential criteria**

*Essential criteria are primordial in the judgment of the technical and financial capacity of candidates to execute the works forming the subject of the invitation to tender.*

The criteria relating to the qualification of candidates are based on the following:

- General presentation of the tender files;
- References of the company in similar achievements;
- Experience of supervisory staff,
- Logistics (Equipment);
- Methodology;
- Financial capacity;
- compliance with the model bid,
- Attestation of site visit signed by the Contractor,
- Report of site visit with pictures signed by the Contractor,
- The Special Technical Clauses (STC). (Each page should be initialed and the last page signed and stamped by the contractor);
- Special Administrative Clauses completed (each page should be initialed and the last page signed and stamped by the contractor),
- Pre – Financing capacity **not less than 75%** of the amount required in the offer.

The essential criteria are subjected to minima whose detail is given in the Special Regulation of the Invitation to tender (RPAO).

### **lii Main qualification criteria**

The criteria relating to the qualification of candidates could be indicative on the following:

The essential criteria are subjected to minima whose detail is given in the Special Tender Regulation (RPAO).

This evaluation shall be done in a purely binary method with a **(yes)** or a **(no)** with an acceptable minimum of **75%** of the essential criteria taken in to account.

The contract will be awarded to the bidder who would have proposed the offer with the lowest amount, in conformity with the regulations of the Tender Documents and having scored **100%** of the eliminatory criteria and at least **75%** of the essential criteria

### **13. Award of the jobbing order**

The jobbing order shall be awarded to the bidder whose bid is in conformity with the dispositions of the tender file and on the basis of the lowest bid and technical quality. (See article 99 of the public contracts code).

### **14. Period of validity of bids**

The bidders shall remain committed to their offers during a period of (one hundred and twenty days) 120 days from the deadline set for the submission of bids.

### **15. Complementary information**

Complementary technical information may be obtained during working hours at the, **Service of award of Public Contracts (SIGAMP)** through tel; NO. 670 788 687

### **9. Remise des offres :**

Chaque offre, rédigée en français ou en anglais en **Sept (07) exemplaires dont un (1) original et Six (6) copies** marquée comme telle, devra parvenir contre récépissé à la Mairie de Elak, Service de Passation des Marchés Publics au plus tard **Vendredi le 20/02/2026 à 10 heures**, locale et devra porter la mention suivante :

**« AVIS D'APPEL D'OFFRES NATIONAL OUVERT**

**N° 07/ONIT/ MINDDEVEL/EC/ECITB /2026 DU 19/01/2026 POUR LES TRAVAUX DE REHABILITATION DU CENTRE DE SANTE INTEGRE D'ICHIM DANS LA COMMUNE D'ELAK, DEPARTEMENT DE BUI, RÉGION DU NORD OUEST.**

**A N'OUVRIR QU'EN SEANCE DE DEPOUILLEMENT »**

### **10 Recevabilité des offres**

Sous peine de rejet, les pièces du dossier administratif requises doivent être produites en originaux ou en copies certifiées conformes par le service émetteur conformément aux stipulations du Règlement Particulier de l'Appel d'Offres.

Elles doivent dater de moins de **trois (03) mois** précédant la date originale de dépôt des offres ou avoir été établies postérieurement à la date de signature de l'Avis d'Appel d'Offres.

Toute offre incomplète conformément aux prescriptions du Dossier d'Appel d'Offres sera déclarée irrecevable. Notamment l'absence de la caution de soumission délivrée par une banque de premier ordre agréée par le Ministère chargé des Finances.

## **11. Ouverture des offres :**

L'ouverture des plis se fera en un temps. L'ouverture des pièces administratives, des offres techniques et financières aura lieu **Vendredi le 20/02/2026 A 11h00, heure locale**, par la Commission de Passation des Marchés de la Commune d'Elak siégeant en présence des soumissionnaires ou de leurs représentants dûment mandatés et ayant une parfaite connaissance du dossier, dans la salle de Conférence de la commune d'Elak

## **12. Critères d'évaluation :**

Les critères d'évaluation sont constitués de deux types : les critères éliminatoires et les critères essentiels. Ces critères ont pour objet d'identifier et de rejeter les offres incomplètes ou non conformes pour l'essentiel aux conditions fixées dans le Dossier d'Appel d'Offres

### **i Critères éliminatoires**

Les critères éliminatoires fixent les conditions minimales à remplir pour être admis à l'évaluation suivant les critères essentiels. Le non-respect de ces critères entraîne le rejet de l'offre du soumissionnaire. Il s'agit notamment:

- Absence ou insuffisances de caution du soumissionnaire
- Absence ou non conformité d'une pièce administrative non rectifiée pendant 48 heures;
- Délai d'exécution supérieur à celui prescrit (supérieur à trois mois)
- Offres financières incomplètes
- Offres dont l'enveloppe extérieure porte des mentions permettant l'identification du Soumissionnaire;
- Fausses déclarations ou pièces falsifiées;
- Absence ou insuffisance de la caution provisoire de soumission;
- Un score technique minimum de 75%
- Suspension d'entreprise par ARMP
- Deux Entreprises avec le même personnel,

### **ii Critères essentiels**

Les critères dits essentiels sont ceux primordiaux ou clés pour juger de la capacité technique et financière des candidats à exécuter les travaux, objet de l'appel d'offres.

Les critères essentiels de qualification sont tel qu'il suit ;

- Présentation générale de l'offre ;
- Références de l'entreprise dans les réalisations similaires ;
- Qualité du personnel clé ;
- Moyens logistiques ;
- Méthodologie ;
- Capacité financière ;
- Attestation de visite du site signée par le responsable de l'Entreprise;
- Rapport de visite du site signée par le responsable de l'Entreprise avec photo à l'appui,
- Cahier des Clauses Techniques Particulières paraphé à chaque page, signée et cachetée à la fin par l'entreprise ;
- Cahier des Clauses Administratives Particulières complété, paraphé à chaque page et signée à la fin par l'entreprise ;
- Attestation de solvabilité financière **supérieure ou égale 75%** du montant de l'offre

Les critères essentiels sont soumis à des minima dont le détail est donné dans le Règlement Particulier de l'Appel d'Offres (RPAO).

### **iii Critères de qualification**

Cette évaluation se fera de manière purement positive (oui) ou négative (non) avec un minimum acceptable d'au moins **75%** de l'ensemble des critères essentiels pris en compte.

Le marché sera attribué au soumissionnaire qui aura proposé l'offre la moins disante, conforme pour l'essentiel aux prescriptions du Dossier d'Appel d'Offres, ayant satisfait à 100% des critères éliminatoires et au moins **75%** des critères essentiels.

### **iii Critères de qualification**

Cette évaluation se fera de manière purement positive (oui) ou négative (non) avec un minimum acceptable d'au moins **75%** de l'ensemble des critères essentiels pris en compte.

Le marché sera attribué au soumissionnaire qui aura proposé l'offre la moins disante, conforme pour l'essentiel aux prescriptions du Dossier d'Appel d'Offres, ayant satisfait à 100% des critères éliminatoires et au moins **75%** des critères essentiels.

## **13. Attribution de la lettre commande**

La lettre commande sera attribuée au soumissionnaire dont l'offre est conforme pour l'essentiel aux dispositions du Dossier d'Appel d'Offres, et qui aura présenté l'offre évaluée la moins-disante et techniquement qualifiée, conformément à l'article 99 du Code des lettres commandes Publics.

## **14. Délai de validité des offres**

Les soumissionnaires restent engagées par leurs offres pendant une période de quatre (04) mois, à compter de la date limite fixée pour la remise des offres

## **15. Renseignements complémentaires :**

## **GENERAL RULES OF THE INVITATION TO TENDER**

### **Article 1: Scope of the tender**

- 1.1 The Contracting Authority as defined in the Special Regulations of the invitation to tender hereby launches an invitation to tender for the construction and/or completion of the works described in the Tender File and briefly described in the Special Regulations.  
The name, identification number and number of lots which form the subject of the invitation to tender feature in the Special Regulations of the invitation to tender.
- 1.2 The bidder retained or the successful bidder shall complete the works within the time-limit indicated in the Special Regulations and which time-limit runs from the date of notification of the Administrative Order or that indicated in the said Administrative Order.
- 1.2 In this Tender File, the term "day" means a calendar day.

### **Article 2: Financing**

The source of financing of the works forming the subject of this invitation to tender shall be specified in the Special Regulations.

### **Article 3: Fraud and corruption**

3.1 The Contracting Authority requires of bidders and contractors the strict respect of rules of professional ethics during the award and execution of public contracts. By virtue of this principle:

- a) The following definitions shall be admitted:
- I. Shall be guilty of "corruption" whoever offers, gives, requests or accepts any advantage in view of influencing the action of a public official during the award or execution of a contract;
  - II. Is involved in "fraudulent manoeuvres" whoever deforms or distorts facts in order to influence the award or execution of a contract;
  - III. "Collusive practices" shall mean any form of agreement between two or among several bidders (whether the Contracting Authority is aware or not) aimed at artificially maintaining the prices of bids at levels not corresponding to those resulting from competition;
  - IV. "Coercive practices" shall mean any form of harm against persons or their property or threats against them in order to influence their action during the award or execution of a contract.
- b) Any proposed award shall be rejected if it is proved that the proposed preferred bidder is directly or through an intermediary, guilty of corruption or is involved in fraudulent manoeuvres, collusive or coercive practices for the award of this contract.

3.2 The Minister Delegate at the Presidency in charge of public contracts may, as a precaution, take a decision of exclusion from bidding for a period not exceeding two (2) years against any bidder found guilty of influence peddling, of conflicts of interest, insider trading, fraud, corruption or production of non-genuine documents in the bid, without prejudice to criminal proceedings that may be brought against him

### **Article 4: Candidates allowed to compete.**

- 4.1 If the invitation to tender is restricted, consultation is addressed to all candidates retained after a pre-qualification procedure.
- 4.2 Generally, the invitation to tender is addressed to all entrepreneurs, subject to the following provisions:
- (a) A bidder (including all members of a group of enterprises and all sub-contractors to the bidder) must be from an eligible country, in accordance with the funding agreement.
  - (b) A bidder (including all members of a group of enterprises and all sub-contractors to the bidder) must not be in a situation of conflict of interest, subject to disqualification. A bidder shall be judged to be in a situation of conflict of interest if he:
    - i) is or was associated in the past with an enterprise (or a subsidiary of this enterprise) which provided consultancy services for the conception, preparation of specifications and other documents used within the scope of contracts awarded for this invitation to tender; or
    - ii) Presents more than one bid within the context of invitation to tender, except authorised variations according to article 17, where need be; meanwhile, this does not prevent the participation of sub-contractors in more than one bid.
    - iii) The Contracting Authority or Project Owner has financial interests in the capital in a way as to compromise the transparency of the procedures of award of public contracts.
  - (c) The bidder must not have been excluded from bidding for public contracts.

- (d) A Cameroonian public enterprise may participate in the consultation if it can demonstrate that it is  
(i) legally and financially autonomous, (ii) managed according to commercial laws and (iii) not under the direct supervisory authority of the Contracting Authority or Project Owner.

#### **Article 5: Building materials, materials, supplies, equipment and authorised services**

5.1 Building materials, the contractor's materials, supplies, equipment and services forming the subject of this contract must originate from countries meeting the criteria of origin defined in the Special Regulations of the invitation to tender and all expenditure done within the context of the contract shall be limited to the said building materials, materials, supplies, equipment and services.

5.2 Within the meaning of this 5.1 above, the term "originate" shall designate the place where the goods are extracted, cultivated, produced, manufactured and from where the services originate.

#### **Article 6: Qualification of bidder**

6.1 As an integral part of their bid, bidders must:

- (a) submit a power of attorney making the signatory of the bid bound by the bid; and
- (b) Provide all information (complete or update information included in their request for pre-qualification which may have changed in the case where the candidates took part in pre-qualification) requested of bidders in the Special Regulations of the invitation to tender, in order to establish their qualification to execute the contract.

Where necessary, bidders should provide information relating to the following points:

- (i) The production of certified balance sheets and recent turnovers;
- (ii) Access to a line of credit or availability of other financial resources;
- (iii) Orders acquired and contracts awarded;
- (iv) Pending litigations; and
- (v) Availability of indispensable equipment.

6.2 Bids presented by two or more associated undertakings (joint-contracting) must satisfy the following conditions:

- (a) The bid must include all the information listed in article 6(1) above. The Special Regulations must indicate the information to be furnished by the group and that to be furnished by each member of the group;
- (b) The bid and the contract must be signed in a way that is binding on all members of the group;
- (c) The nature of the group (joint or several) must be specified in the Special Regulations and justified with the production of a joint venture agreement in due form;
- (d) The member of the group designated as the representative will represent all the undertakings vis à vis the Project Owner and Contracting Authority with regard to the execution of the Contract;
- (e) In case of joint co-contracting, the co-contractors shall share the sums which are paid by the Project Owner into a single account. On the other hand, each undertaking is paid into its own account by the Project Owner where it is joint co-contracting.

6.3 Bidders must equally present sufficiently detailed proposals to demonstrate that they comply with the technical specifications and execution time-limits set in the Special Regulations of the invitation to tender.

6.4 Bidders requesting to benefit from the margin of preference must furnish all the necessary information to prove that they satisfy the eligibility criteria set in article 33 of the General Regulations of the invitation to tender.

#### **Article 7: Visit of works site**

7.1 The bidder is advised to visit and inspect the site and its environs and obtain by himself and under his own responsibility, all the information which may be necessary for the preparation of the bid and the execution of the works. The related cost of the visit of the site shall be borne by the bidder.

7.2 The Project Owner shall authorise the bidder and his employees or agents to enter the premises and the land for the said visit but only on the express condition that the bidder, his employees and agents free the Project Owner, his employees and agents of any responsibility that may ensue and indemnify them if necessary and that they shall remain responsible for any deadly or corporal accident, loss or material damages, costs and fees incurred from this visit.

7.3 The Project Owner may organise a visit of the site of the works during the preparatory meeting to establishing the bids mentioned in article 19 of the General Regulations of the invitation to tender.

## **B. Tender File**

### **Article 8: Content of Tender File**

8.1 The Tender File describes the works forming the subject of the contract, sets the consultation procedure of contractors and specifies the terms of the contract. Besides the addendum (addenda) published in accordance with article 10 of the General Regulations of the invitation to tender, it includes the following documents:

Document No. 1: Invitation to tender

Document No. 2: General Regulations of the invitation to tender

Document No. 3: Special Regulations of the invitation to tender

Document No. 4: Special Administrative Conditions

Document No. 5: Special Technical Conditions

Document No. 6: Schedule of prices

Document No. 7: Bill of quantities and estimates

Document No. 8: The sub-detail of prices

Document No. 9: Model Jobbing Order

Document No. 10: Forms and Standard documents to be used

Document No. 11: Preliminary studies

Document No. 12: Other Document

Document No. 13: List of banking establishments and financial bodies authorised to issue bonds for public contracts

Document No. 14: Graphic Plan.

8.2 The bidder must examine all the regulations, forms, conditions and specifications contained in the Tender File. It is up to him to furnish all the information requested and prepare a bid in compliance with all aspects of the said file.

### **Article 9: Clarifications on the Tender File and complaints**

9.1 Any bidder who wants to obtain clarifications on the Tender File may request them from the Contracting Authority in writing or by electronic mail (fax or e-mail) at the Contracting Authority's address indicated in the Special Regulations of the invitation to tender and send a copy to the Project Owner. The Contracting Authority replies in writing to any request for clarification received at least fourteen (14) days prior to the deadline for the submission of bids.

A copy of the Contracting Authority's response, indicating the question posed but not mentioning the author, is addressed to all bidders who bought the Tender File.

9.2 Between the publication of the tender notice including the pre-qualification phase of candidates and the opening of bids, any bidder who feels aggrieved in the public contracts award procedure may lodge a complaint to the Minister in charge of Public Contracts.

9.3 A copy of the complaint should be addressed to the Contracting Authority and to the body in charge of the regulation of public contracts and the chairperson of the Tenders Board.

9.4 The Contracting Authority has five (5) days to react. A copy of the reaction shall be forwarded to MINMAP and the body in charge of the regulation of public contracts.

### **Article 10: Amendment of the Tender File**

10.1 The Contracting Authority may at any moment, prior to the deadline for the submission of bids and for any reason, be it at his initiative or in reply to a request for clarification formulated by a bidder, amend the Tender File by publishing an addendum.

10.2 Any published addendum shall be an integral part of the Tender File, in accordance with article 8.1 of the General Regulations of the invitation to tender and must be communicated in writing or made known by a traceable means to all bidders who bought the Tender File.

10.3 In order to give bidders sufficient time to take account of the addendum in the preparation of the bids, the Contracting Authority may postpone as is necessary, the deadline for the submission of bids, in accordance with provisions of article 22 of the General Regulations of the invitation to tender

## **C Preparation of bids**

### **Article 11: Tender costs**

The candidate shall bear the costs related to the preparation and presentation of his bid and the Contracting Authority and the Project Owner shall in no case be responsible for these costs nor pay for the whatever the evolution or outcome of the invitation to tender procedure.

### **Article 12: Language of bid**

The bid as well as any correspondence and any document exchanged between the bidder and the Contracting Authority shall be written in English or French. Complementary documents and the forms provided by the bidder may be written in another language on condition that a precise translation into either English or French of the passages concerning the bid is included; in which case for reasons of interpretation, the translation shall be considered to be authentic.

#### **Article 13: Constituent documents of the offer**

13.1 The offer presented by the bidder shall include the documents detailed in the Special Regulations of the invitation to tender, duly filled and put together in three volumes:

##### **Volume 1: Administrative documents**

They include:

I. All documents stating that the bidder:

- Has complied with all declarations provided for by the laws and regulations in force;
- Is current with his taxes, contributions, fees or levies of any kind whatsoever;
- Is not in a State of liquidation or bankruptcy;
- Is not struck by one of the prohibitions and disqualifications criteria provided for by the legislation in force.

II. Bid bond(s) issued is are in conformity with the provisions of article 15 of the present RGAO;

III. A written confirmation authorizing the signatory of the offer to engage the bidder

IV. The CCAP is duly initialled on each page and signed on the last page.

V. Localization plan is duly signed by the authority concern.

##### **b. Volume II: Technical Offer**

It includes:

I. References of the company (the contractor will provide contracts or Jobbing orders for similar work carried out as well as related minutes of reception);

II. Personnel: the contractor will present the competent technical staff and workers he intends to employ before the beginning of the work (attach to each staff CV signed by the candidate, certified copy of technical diploma attestation of presentation of original of the technical diploma, and the attestation of availability signed by the candidate);

III. Site equipment: The contractor shall justify the ownership and the State of the equipment necessary for the performance of the work (providing registration certificates, invoices and certificates of road worthiness (visit technique) of rolling equipment;

IV. The technical note on the methodology of intervention of the work: the company will produce a technical note dated and signed providing all the information concerning the mode of execution of the works, the execution plan of the expected output, provision of materials or site materials, the potential advantages in terms of safety of the environment and the Organization of the company,

V. Attestation of site visit and the site visit report;

Vi The CCTP duly initialled on each page and signed on the last page

Vii Attestation of solvency of the contractor.

##### **c. Volume 3: Financial offer**

It includes:

I. The submission letter, in original drafted according to the model attached, stamped at the rate in force, signed and dated;

II. The unit price schedule duly completed, with an indication of the unit price excluding VAT in letters and figures;

III. Detail Bill of Quantities and cost estimate of the work completed;

IV. Sub-details of the different prices according to the model attached;

In this regard, the bidders will use the documents and models provided in the Tender File, subject to the provisions of article 17(1) of the General Regulations of the invitation to tender concerning the other possible forms of guarantees.

13.2 If in accordance with the provisions of the Special Regulations of Invitation to Tender, the bidders present offers for several lots of the same invitation to tender, they could indicate rebates offered in case of award of more than one lot.

#### **Article 14: Bid price**

14.1 Except otherwise stated in the Tender File, the amount of the contract shall cover all the works described in article 1.1 of the General Regulations of the invitation to tender, on the basis of the price schedule and the detailed bill of quantities and estimates presented by the bidder.

- 14.2 The bidder shall fill the unit prices and totals of all items on the schedule and bill of quantities and estimates.
- 14.3 Subject to contrary provisions provided for in the Special Regulations and in the Special Administrative Conditions, all dues, taxes and fees payable by the bidder on grounds of the contract or on any other ground, thirty (30) days prior to the submission of the bids, shall be included in the prices and in the total amount of the bid presented by the bidder.
- 14.4 If a price revision/updating clause is provided for in the contract, the date of establishment of the initial price, as well as the price revision/updating conditions for the said price must be specified. This is with the understanding that any contract of duration less than one (1) year shall not be subject to price revision.
- 14.5 All unit prices must be justified by sub-details established in accordance with the structure proposed in document 8 of the Tender File.

#### **Article 15: Currency of bid and payment**

15.1 In case of international invitations to tender, the currencies of the bid shall follow the provisions of either Option A or Option B below, the applicable option being that retained in the Special Regulations of the invitation to tender.

**15.2 Option A:** The amount of the bid shall be entirely made in the national currency.

The amount of the bid, unit prices of the price schedule and the prices of the bill of quantities and estimates are completely made in CFA francs in the following manner:

- a) Prices shall be entirely drawn in the national currency. The bidder who intends to commit expenditures in other currencies for the execution of the works shall indicate in the annex to the bid the percentage(s) of the amount of the bid necessary to cover the needs in foreign currencies without exceeding the maximum of the three currencies of member countries of the funding institution of the contract.
- b) The exchange rates used by the bidder to convert his bid into the national currency shall be specified by the bidder in an annex to the bid in compliance with the specifications of the Special Regulations. These rates shall be applied for any payment within the framework of the contract so that the retained bidder does not bear any change in the exchange rate.

**15.3 Option B:** The amount of the bid shall be directly made in the national and foreign currency at the rates fixed in the Special Regulations.

The bidder shall draw the unit prices of the price schedule and the prices of the bill of quantities and estimates in the following manner:

- (a) The prices of inputs necessary for the works which the bidder intends to procure in the Contracting Authority's country shall be in currency of the Contracting Authority's country specified in the Special Regulations and called "national currency";
- (a) The prices of inputs necessary for works which bidder intends to procure out of the Contracting Authority's country shall be in the currency of the country of origin of the bidder or of the currency of an eligible member country widely used in international trade.

15.4 The Contracting Authority may request the bidders to explain the needs in national and foreign currencies and to justify that the amounts included in the unit and total prices and indicated in annex to the bids are reasonable; to this end, a detailed statement of their needs in foreign currencies shall be furnished by the bidder.

15.5 During the execution of the works, most of the foreign currency to be paid as part of contract may be revised by mutual agreement between the Contracting Authority and the entrepreneur in a way as take account of any modification in the foreign currency needs within the context of the contract.

#### **Article 16: Validity of bids**

16.1 Bids must remain valid during the period stated in the Special Regulations from the date of submission of the bids fixed by the Contracting Authority, in application of article 22 of the Special Regulations. A bid valid for a shorter period shall be rejected by the Contracting Authority or Delegated Contracting Authority as not being in compliance.

16.2 Under exceptional circumstances, the Contracting Authority may seek the approval of bidders to extend the validity time-limit. The request and the responses that will be given shall be in writing (or by fax). The validity of the bid bond provided for in article 17 of the General Regulations shall equally be extended for a corresponding duration. A bidder may refuse to extend the validity of his bid without

losing his bid bond. A bidder who consents to an extension shall not be asked to modify his bid nor shall he be authorised to do so.

16.3 Where the contract does not include a price revision clause and that the period of validity of bids is extended by more than sixty (60) days, the amounts payable to the bidder retained shall be updated by application of the related formula featuring in the request for extension that the Contracting Authority addressed to bidders.

The updating period shall run from the date of overrun of sixty (60) days to the date of notification of the contract or the Administrative Order for start of execution of works by the retained bidder, as specified in the Special Administrative Conditions. The effect of updating shall not be taken into account for purposes of evaluation of bids.

#### **Article 17: Bid bond**

17.1 In application of article 13 of the General Regulations, the bidder shall furnish a bid bond of the amount specified in the Special Regulations and which bid bond shall be a full part of his bid. 17.2 The bid bond must conform to the model presented in the Tender File; other models may be authorised subject to the prior approval of the Contracting Authority. The bid bond will remain valid for thirty (30) days beyond the original date set for the validity of bids or any other validity time-limit requested by the Contracting Authority and accepted by the bidder, in accordance with the provisions of article 16 (2) of the General Regulations.

17.3 Any bid without an acceptable bid bond shall be rejected by the Tenders Board as not in conformity. The bid bond of associated enterprises must be established in the name of the group submitting the bid and mention each member of the associated grouping.

17.4 The bid bonds of bidders who are not retained shall be returned within fifteen (15) days after publication of the award result.

17.5 The bid bond of the successful bidder shall be released as soon as the latter would have signed the contract and furnished the required final bond.

17.6 The bid bond may be seized:

(a) if the bidder withdraws his bid during the period of validity;

(b) if the retained bidder:

i) fails in his obligation to register the contract in application of article 38 of the General Regulations;

i) fails in his obligation to furnish the required final bond in application of article 38 of the General Regulations;

ii) Refuses to receive notification of the Administrative Order to commence execution.

#### **Article 18: Varying proposals of bidders**

18.1 Where the works can be executed within variable deadlines, the Special Regulations shall specify these deadlines and shall indicate the method retained for the evaluation of the completion deadline proposed by the bidder within the specified deadlines. Bids that propose deadlines beyond those specified shall be considered as not being in conformity.

18.2 Except in the case mentioned in article 18(3) below, bidders wishing to offer technical variants must first assess the basic solution of the Contracting Authority as described in the Tender File and furnish in addition all the information which the Contracting Authority needs for a complete evaluation of the proposed variant, including the plans, calculations, technical specifications, sub-details of prices and proposed construction methods and all other useful information. If necessary, the Contracting Authority will examine only the technical variants of the bidder whose bid is in compliance with the basic solution has been evaluated as the lowest bid.

18.3 When according to the Special Regulations the bidders are authorised to directly submit the technical variants for certain parts of the works, these parts of the works must be described in the technical specifications. Such variants shall be evaluated on their own merit in accordance with the provisions of article 31(2) (g) of the General Regulations.

#### **Article 19: Preparatory meeting to the establishment of bids**

19.1 Except otherwise stipulated in the Special Regulations, a bidder may be invited to take part in a preparatory meeting which will hold at the date and place indicated in the Special Regulations.

19.2 The subject of the preparatory meeting shall be to furnish clarifications and answer any questions which may be raised at this stage.

19.3 As much as possible, the bidder is requested to submit any question in a way as to reach the Contracting Authority at least one week before the meeting. The Contracting Authority may not reply to

questions received too late. In this case, the questions and answers shall be transmitted according to the methods set in article 19(4) below.

19.4 The minutes of the meeting, including the text of the questions asked and the replies given, including questions prepared after the meeting, shall be forwarded immediately to everyone who bought the Tender File. Any modification of documents of the Tender File listed in article 8 of the General Regulations which may prove to be necessary at the end of the preparatory meeting shall be done by the Contracting Authority by publishing an addendum in accordance with the provisions of article 10 of the General Regulations and not through the minutes of the preparatory meeting.

19.5 The fact that a bidder does not attend a preparatory meeting for the establishment of bids shall not be a reason for disqualification.

#### **Article 20: Form and signature of bid**

20.1 The bidder shall prepare an original of the constituent documents described in article 13 of the General Regulations in a volume clearly indicated "**ORIGINAL**". In addition, the bidder shall submit the number required in the General Regulations, bearing "**COPY**". In case of discrepancy, the original shall be considered as authentic.

20.2 The original and copies of the bid must be typed or written in indelible ink (photocopies shall be accepted in the case of copies) and shall be signed by the person(s) duly empowered to sign on behalf of the bidder, in accordance with article 6(1a) or 6(2c) of the General Regulations, as the case may be. All the pages of the bid containing alterations or changes must be initialled by the signatory (ies) of the bid.

20.3 The bid shall bear no modification, suppression or alteration unless such corrections are initialled by the signatory (ies) of the bid.

### **D. SUBMISSION OF BIDS**

#### **Article 21: Sealing and marking of bids**

21.1 The bidder shall seal the original and each copy of the bid in separate envelopes (internal envelopes) by marking on these envelopes "**ORIGINAL**" and "**COPY**", as the case may be. The envelopes shall then be placed in another envelope which will equally be sealed but which will not give any indication regarding the identity of the bidder.

21.2 The external and internal envelopes:

- a) Should be addressed to the Contracting Authority at the address indicated in the Special Regulations;
- b) should bear the name and identification number of the project as indicated in the Special Regulations and bear the inscription "**TO BE OPENED ONLY DURING THE BID-OPENING SESSION**" specified in the Special Regulations.

21.3 The internal envelopes should equally carry the name and address of the bidder in a way as to enable the Contracting Authority return the sealed bid if it is late in accordance with article 23 and 24 of the General Regulations.

21.4 If the external envelope is not sealed and marked as indicated in paragraphs 21(1) and 21(2) above, the Contracting Authority shall not be responsible if the bid is misplaced or opened prematurely.

#### **Article 22: Date and time-limit for submission of bids**

22.1 The bids must be received by the Contracting Authority at the address specified in article 21(2) of the Special Regulations not later than the date and time stated in the Special Regulations.

22.2 The Contracting Authority may, at his discretion, postpone the deadline set for the submission of the bids by publishing an addendum in accordance with the provisions of article 10 of the General Regulations. In this case, all the rights and obligations of the Contracting Authority and bidders previously governed by the initial date will henceforth be governed by the new date.

#### **Article 23: Late bids**

Any bid received by the Contracting Authority beyond the deadline for the submission of bids in accordance with article 22 of the General Regulations shall be declared late and consequently rejected.

#### **Article 24: Modification, substitution and withdrawal of bids**

24.1 A bidder may modify or withdraw his bid after submitting it, on condition that the written notification of the modification or withdrawal is received by the Contracting Authority prior to the end of the time-limit prescribed for the submission of the bids. The said notification must be signed by an authorised representative in application of article 20(2) of the General Regulations. The modification or the corresponding replacement bid must be attached to the written notification. As the case may be, the envelopes must bear the inscription "**WITHDRAWAL**", and "**REPLACEMENT BID**" or "**MODIFICATION**".

24.2 Notification of modification, replacement or withdrawal of the bid by the bidder should be prepared, sealed, marked and forwarded in accordance with the provisions of article 21 of the General Regulations. Withdrawal may equally be notified by telex but should in this case be confirmed by a duly signed written notification whose date, post mark being authentic, shall not be posterior to the time-limit set for the submission of bids.

24.3 In application of article 24(1), bids being requested to be withdrawn by bidders shall be returned to them unopened.

24.4 No bid may be withdrawn during the interval between the submission of bids and the expiry of the validity of bids specified by the model tender. The withdrawal of a bid by a bidder during this interval may lead to the confiscation of the bid bond in accordance with the provisions of article 17(6) of the General Regulations.

## **E. Opening of envelopes and evaluation of bids**

### **Article 25: Opening of envelopes and petitions**

25.1 The competent Tenders Board shall open the envelopes in single or double phases and in the presence of the representatives of bidders who wish to attend at the date, time and address specified in the Special Regulations. Representatives of bidders shall sign a register attesting to their presence.

25.2 Firstly, envelopes marked "**withdrawal**" shall be opened and the contents announced to the hearing of everyone, while the envelope containing the corresponding bid shall be returned to the bidder unopened. Withdrawal shall be allowed only if the corresponding notification contains a valid empowerment of the signatory to request this withdrawal and if this notification is read to the hearing of everyone. Then the envelopes marked "**Replacement bid**" are opened and announced to the hearing of everyone and the new corresponding bid substituted for the preceding one which will be sent to the bidder concerned unopened. The replacement of the bid shall only be allowed if the corresponding notification contains a valid empowerment of the signatory requesting the replacement and read to the hearing of everyone. Lastly, the envelopes marked "**modification**" shall be opened and their contents read to the hearing of everyone with the corresponding bid. The modification of the bid shall only be allowed if the corresponding notification contains a valid empowerment of the signatory requesting the modification and read to the hearing of everyone. Only bids which were opened and announced to the hearing of everyone during the opening of bids shall then be evaluated.

25.3 All envelopes shall be opened successively and the name of the bidder announced aloud as well as the possible modification mentioned, the price offered, including any rebates [*in case of opening of financial bids*] and any variant, where necessary, the existence of a guarantee of the bid if it is required and any other details which the Contracting Authority deems useful to be mentioned. Only rebates and variants of bids announced to the hearing of everyone during the opening of bids shall be submitted for evaluation.

25.4 Bids (and modifications received in accordance with the provisions of article 24 of the General Regulations) which were not opened and read to the hearing of everyone during the bid-opening session for whatever reason, shall not be submitted for evaluation.

25.5 Bid-opening minutes are recorded on the spot mentioning the admissibility of bids, their administrative regularity, prices, rebates and time-limits as well as the composition of the Evaluation sub-committee. A copy of the said minutes to which is attached the attendance sheet is handed over to all the participants at the end of the session.

25.6 At the end of each bid-opening session, the chairperson of the Tenders Board immediately hands over to the focal point designated by the body in charge of regulation of public contract an initialled copy of the bids presented by bidders.

25.7 In case of petition as provided for by the Public Contracts Code, it should be addressed to the Minister Delegate in charge of Public Contracts with a copies to the body in charge of the regulation of public contracts, the head of structure to which is attached the Tenders Board concerned.

It must reach within a maximum deadline of three (3) working days after the opening of bids in the form of a letter to which is obligatorily attached a sheet of the petition form duly signed by the petitioner and possibly by the chairperson of the Tenders Board.

The Independent Observer attaches to his report the sheet that was handed to him, including any related commentaries or observations.

### **Article 26: Confidential nature of the procedure**

26.1 No information relating to the examination, clarification, evaluation and comparison of bids and verification of the qualification of the bidders and the recommendation for the award shall be given to bidders or to any person not concerned with the said procedure as long as the preferred bidder has not

been made public, subject to the disqualification of the bid of the bidder and suspension of the authors from all activities in the domain of public contracts.

26.2 Any attempt by a bidder to influence the Tenders Board or the Evaluation sub-committee of bids or the Contracting Authority in its award decision may lead to the rejection of his bid.

26.3 Notwithstanding the provisions of paragraph 26.2 above, between the opening of bids and the award of the contract, if a bidder wishes to enter into contact with the Contracting Authority for reasons having to do with his bid may do so in writing.

#### **Article 27: Clarifications on the bids and contact with the Contracting Authority**

27.1 To ease the examination, evaluation and comparison of bids, the Tenders Board may, if it so desires, request any bidder to give clarifications on his bid. This request for clarification and the response thereto are formulated in writing but no change on the amount or content of the bid is sought, offered or authorised, except it is necessary to confirm the correction of calculation errors discovered by the Evaluation Sub-committee during the evaluation in accordance with the provisions of article 30 of the General Regulations.

27.2 Subject to the provisions of paragraph 1 above, bidders shall not contact members of the Tenders Board and the Evaluation Sub-committee for questions related to their bids, between the opening of envelopes and the award of the contract.

#### **Article 28: Determination of compliance of bids**

28.1 The Evaluation sub-committee shall carry out a detailed examination of bids to determine if they are complete, if the required guarantees are furnished, if the documents were correctly signed and if generally the bids are in proper order.

28.2 The Evaluation sub-committee shall determine if the bid is essentially in compliance with the conditions fixed in the Tender File based on the content without recourse to external elements of proof.

28.3 A bid that complies with the Tender File shall essentially be a bid that respects all the terms, conditions and specifications of the Tender File, without substantial divergence or reservation. A substantial divergence or reservation is that:

- i) which substantially limits the scope, quality or realisation of the works;
- ii) which substantially limits, contrary to the Tender File, the rights of the Contracting Authority or his obligations in relation to the contract;
- iii) Whose correction would unjustly affect the competitiveness of the other bidders who presented bids that essentially complied with the Tender File?

28.4 If a bid is essentially not in compliance, it shall be rejected by the competent Tenders Board and shall not subsequently be rendered in compliance.

28.5 The Contracting Authority reserves the right to accept or reject any modification, divergence or reservation. Modifications, divergences, variants and other factors which are beyond the requirements of the Tender File shall not be considered during the evaluation of bids.

#### **Article 29: Qualification of the bidder**

The Evaluation sub-committee shall ensure that the successful bidder retained for having submitted a bid substantially in compliance with the provisions of the Tender File, fulfils the qualification criteria stipulated in article 6 of the Special Regulations. It is essential to avoid any arbitrariness in determining qualification.

#### **Article 30: Correction of errors**

30.1 The Evaluation sub-committee shall verify bids considered essentially in compliance with the Tender File and correct the possible calculation errors. The Evaluation sub-committee shall correct the errors in the following manner:

- (a) where there is an incoherence between the unit price and the total obtained by multiplying the unit price by the quantity, the unit price being authentic, the total price shall be corrected, unless the Evaluation sub-committee judges that it is a gross error of decimal point in the unit price in which case the total price as presented shall be authentic and the unit price corrected.
- (b) if the total obtained by addition or subtraction of the totals is not exact, the sub totals shall be considered authentic and the total corrected.
- (c) Where there is a difference between the price indicated in letters and in figures, the amount in letters shall be considered authentic, unless the amount is linked to an arithmetical error confirmed by the sub-detail of the said price, in which case the amount in figures shall prevail subject to paragraphs (a) and (b) above.

30.2 The amount featuring in the bid shall be corrected by the Evaluation sub-committee, in accordance with the error correction procedure above and with confirmation by the bidder, the said amount shall be deemed to commit him.

30.3 If the bidder who presented the bid evaluated as the lowest refuses the correction thus carried out, his bid shall be rejected and the bid bond may be seized.

**Article 31: Conversion into a single currency**

31.1 To facilitate the evaluation and comparison of bids, the Evaluation sub-committee shall convert the prices of bids expressed in various currencies into those in which the bid is payable in CFA francs.

31.2 The conversion shall be done using the selling rate fixed by the Bank of Central African States (BEAC) under the conditions defined by the Special Regulations.

**Article 32: Evaluation and comparison of financial bids**

32.1 Only bids considered as being in compliance, as per the provisions of article 28 of the General Regulations, shall be evaluated and compared by the Evaluation sub-committee.

32.2 By evaluating the bids, the Evaluation Sub-committee shall determine for each bid the evaluated amount of the bid by rectifying the amount as follows:

- a) By correcting any possible error in accordance with the provisions of article 30.2 of the General Regulations;
- b) By excluding projected sums and where necessary provisions for unforeseen occurrences featuring in the bill of quantities and estimates but by adding the amount of works done under State supervision where they are costed in a competitive manner as specified in the Special Regulations.
- c) By converting into a single currency the amount resulting from the rectifications (a) and (b) above, in accordance with the provisions of article 31(2) of the General Regulations;
- d) By appropriately adjusting any other modification, divergence or quantifiable reservation on technical or financial basis.
- e) By taking into consideration the various execution time-limits proposed by the bidders, if they are authorised by the Special Regulations;
- f) If need be, in accordance with the provisions of article 13(2) of the General Regulations and the Special Regulations by applying the rebates offered by the bidder for the award of more than one lot, if this invitation to tender is launched simultaneously for several lots.
- g) If need be, in accordance with the provisions of article 18(3) of the Special Regulations and the Technical Specifications, the proposed technical variants, if they are permitted, shall be evaluated on their own merit and independently of the fact that the bidder offered or not a price for the technical solution specified by the Contracting Authority in the Special Regulations.

32.3 The estimated effect of price revision formulae featuring in the GAC and SAC applied during the period of execution of the contract shall not be considered during the evaluation of bids.

32.4 If the bid judged the lowest bid is considered abnormally low or strongly unbalanced in relation to the estimates of the Project Owner for the works to be executed in this contract, the Tenders Board may, from the sub-details of prices furnished by the bidder for any element or all the elements of the bill of quantities and estimates, verify if these prices are compatible with the construction methods and proposed calendar. In the case where the justifications presented by the bidder are not satisfactory, the Contracting Authority may reject the bid after the technical opinion of the Public Contracts Regulatory Agency.

**Article 33: Award**

34.1 The Contracting Authority shall award the contract to the bidder whose bid was judged essentially in compliance with the Tender File and who has the required technical and financial capacities to execute the contract satisfactorily and whose bid was evaluated as the lowest by including, where necessary, proposed rebates.

34.2 If, according to article 13(2) of the General Regulations, the invitation to tender comprises several lots, the lowest bid shall be determined by evaluating this contract with other lots to be awarded concurrently, by taking into account the rebates offered by the bidders in the case of more than one lot.

34.3 Any award of contract shall be made to the bidder fulfilling the technical and financial capacities required resulting from the evaluation criteria and presenting the bid evaluated as the lowest.

**Article 34: The right by the Contracting Authority to declare an invitation to tender unsuccessful or cancel a procedure**

The Contracting Authority reserves the right to cancel a procedure of invitation to tender after the authorisation of the Minister Delegate at the Presidency in charge of Public Contracts where the bids have been opened or to declare an invitation to tender unsuccessful after the advice of the competent Tenders Board, without any claims being entertained.

#### **Article 34: Notification of award of the contract**

Before the expiry of the validity of the bids set in the Special Regulations, the Contracting Authority shall notify the preferred bidder by telecopy confirmed by registered mail or by any other means that his bid was retained. This letter will indicate the amount the Project Owner will pay the contractor to execute the works and the execution time-limit.

#### **Article 36: Publication of results of award and petitions**

37.1 The Contracting Authority shall communicate to any bidder or administration concerned, upon request addressed to it within a maximum deadline of five (5) days after publication of the award results, the Independent Observer's report as well as the minutes of the award session of the related contract to which shall be attached the evaluation report of the bids.

37.2 The Contracting Authority is bound to communicate the reasons for the rejection of bids of the bidders concerned who so request.

37.3 After publication of the award results, bids that are not withdrawn within fifteen (15) days shall be destroyed, without any claims for compensation being entertained. Only the copy destined for the body in charge of regulation shall be kept.

37.4 In case of petition, it should be addressed to the Public Contracts Authority, with copies to the body in charge of the regulation of public contracts, the Contracting Authority and the chairperson of the Tenders Board concerned.

It must take place within a maximum deadline of five (5) working days after the publication of the results.

#### **Article 37: Signing of the contract**

38.1 After publication of the results, the draft contract subscribed by the successful bidder is submitted to the Tenders Board for examination and where applicable, to the Minister in charge of Public Contracts for prior endorsement.

38.2 The Contracting Authority has a deadline of seven (7) days to sign the contract from the date of reception of the draft contract examined by the competent Tenders Board and subscribed by the successful bidder and where applicable, the endorsement of the Minister in charge of Public Contracts.

38.3 The contract must be notified to the successful bidder within five (5) days of its date of signature.

#### **Article 38: Final Bond**

39.1 Within twenty (20) days of the notification by the Contracting Authority, the contractor shall furnish the Project Owner with a final bond, to guarantee the complete execution of the works.

39.2 The bond whose rate varies between 2 and 5 percent of the amount of the contract inclusive of taxes, may be replaced by a guarantee from a banking establishment approved according to the instruments in force with the Project Owner as beneficiary or by a joint or several guarantee.

39.3 Small and medium-sized enterprises (SME) constituted of national capital and managed by nationals may, in lieu of the guarantee, provide a statutory lien or a bond issued by a banking establishment or first rate financial institution approved in accordance with the instruments in force.

39.4 Failure to produce the final bond within the prescribed time limit shall likely cause the termination of the contract under the terms laid down in the General Administrative Conditions.

**DOCUMENT N°. 3:**

## ENVELOPE C: FINANCIAL OFFER

Doc N°	DESIGNATION
C.1	The bid itself according to the model attached, stamped at the rate in force, dated, signed And stamped by the contractor.
C.2	The unit price schedule duly completed, with an indication of the unit price excluding VAT in words and in figures. (signed And stamped)
C.3	Detail quantities and cost estimates of works completed(signed And stamped)
C.4	The sub-details of prices according to the model attached and a soft copy in an excel format in flash drive or CD drive.

### 5) Currency of bid and settlement

5.1. The value of the contract shall be in national currency (FCFA). The amount of the bid, the unit prices, the price Bill of quantities and sub detailed of unit prices shall be entirely in CFA Francs in the following manner:

**a.** Prices will be entirely settled in CFA Francs. Any bidder, who wants to engage expenditures in other currencies for the execution of the work, shall indicate in an annex to his submission, the percentage of the amount of the offer required to cover the needs in foreign currencies, without exceeding a maximum of three currencies of Member countries of the institution financing the contract.

**b.** The exchange rates used by the bidder to convert its offer in national currency shall be the rate of the day of the deposition of the bids. This exchange rate will be applied for any payment in respect of the contract, so that no foreign exchange rate risk is supported by the successful bidder.

The contract prices are firm and no-revisable.

#### **6) Submission of Bids:**

Each offer drafted in English or French in **07 (Seven) copies including 01 (one) original and 06 (six) copies** marked as such, should reach the Service of Award Elak Council not later than **Friday the 20/02/2026 at 10 am** local time. It should be labelled as follows

### **"OPEN NATIONAL INVITATION TO TENDER**

**Nº 07 /ONIT/MINDDEVEL/ EC / ECITB / 2026 OF 19/01/2026 FOR THE REHABILITATION OF THE ICHIM INTEGRATED HEALTH CENTER IN ELAK COUNCIL AREA, BUI DIVISION, NORTH-WEST REGION.**

**TO BE OPENED ONLY DURING THE BID OPENING SESSION"**

#### **7) EVALUATION OF TENDERS**

##### **7.1. Opening of bids**

The bids shall be opened in single phase. The opening of the administrative documents and the Technical and Financial offers shall take place on **Friday the 20/02/2026 at 11am** local time, by the ECITB in the conference hall of the Council.

Only bidders or their duly mandated representatives with a perfect knowledge of their offer shall attend this opening session.

Representatives of bidders shall have to sign a form stating their presence at the opening of tenders.

##### **7.2. Clarification on the bids**

The request for clarification and the response shall be done in writing. No change of the offer price shall be requested, proposed or authorized.

##### **7.3. Examination of bids**

The tenders' board shall examine the bids to determine if they are complete, if the required guarantees have been provided, if the documents were produced following the tender file requirements, whether they contain calculation errors and if the bids are generally in good order. Any calculation errors will be corrected on the following bases:

- If there is a calculation error, the total price will be corrected on the basis of the unit price.
- If there is a contradiction between the price in words and the price in figures, the price in word will govern.

##### **7.4. Evaluation and comparison of bids**

The technical subcommittee shall evaluate and compare the bids which were previously found substantially responsive to the conditions of the present call for tenders. This evaluation will exclude and will not take into consideration any price variation clauses included in the submission.

The evaluation of bids shall be in two steps: technical and financial evaluation.

##### **7.4. 1. Technical evaluation**

##### **7.4.1. 1. Eliminary criteria**

Eliminary criteria will focus on the following aspects:

- ◆ Absence or insufficient bid bond,
- ◆ Absence of administrative document not rectified within 48hours,
- ◆ Deadline for execution higher than prescribed,
- ◆ Incomplete financial offer,
- ◆ Mark or sign on an envelope leading to the identification of bidder
- ◆ False declaration or forged document,
- ◆ Noncompliance with major technical specifications (to be listed),
- ◆ Technical assessment mark lower than **75%** of "Yes",
- ◆ Suspension of the enterprise by ARMP.
- ◆ Two enterprises with same workers

##### **ii. Essential criteria**

*Essential criteria are primordial in the judgment of the technical and financial capacity of candidates to execute the works forming the subject of the invitation to tender.*

The criteria relating to the qualification of candidates are based on the following:

### lii Main qualification criteria

#### 7.4.1. 2 Essential criteria

- The criteria relating to the qualification of candidates could indicatively be on the following:
  - General presentation of the tender files;
  - References of the company in similar achievements;
  - Experience of supervisory staff,
  - Logistics (Equipment);
  - Methodology;
  - Financial capacity;
  - compliance with the model bid,
  - Attestation of site visit signed by the Contractor,
  - Report of site visit with pictures signed by the Contractor,
- The Special Technical Clauses (STC). (Each page should be initialed and the last page signed and stamped by the contractor);
- Special Administrative Clauses completed (each page should be initialed and the last page signed and stamped by the contractor),
- Pre – Financing capacity **not less than 75%** of the amount required in the offer.

The essential criteria are subjected to minima whose detail is given in the Special Regulation of the Invitation to tender (RPAO).

#### 7.4.1.3 Main qualification criteria

The criteria relating to the qualification of candidates could be indicative on the following:

The essential criteria are subjected to minima whose detail is given in the Special Tender Regulation (RPAO).

This evaluation shall be done in a purely binary method with a **(yes)** or a **(no)** with an acceptable minimum of **75%** of the essential criteria taken in to account.

The contract will be awarded to the bidder who would have proposed the offer with the lowest amount, in conformity with the regulations of the Tender Documents and having scored **100%** of the eliminatory criteria and at least **75%** of the essential criteria

#### A) The company's references:

Similar works in the past years The bidder shall justify its turnover either by a document from an expert or by submitting documents that can be used to appreciate the amounts from the realizations and the quality of the work (certificate of completion and/or minutes of (provisional or final) reception and related contracts and jobbing orders).

#### b) Essential equipment

Essential equipment that the contractor shall make available for the contract (registration document, purchase receipt) shall be the following: 4 x 4 pickup vehicle or van for the transportation of personnel and other materials such as a Vibrator or Legalized document to hire equipment.

#### C) The qualification of site personnel:

A works supervisor with at least the level of senior technician in civil engineering or Rural Engineering with at least few (05) years' professional experience in the domain of civil construction or similar works. (Attached: certified copy of certificate, CV, attestation of presentation of original of the technical diploma, attestation of availability sign by candidate and a Certified copy of ID card)

A foreman with at least the level of a technician in civil engineering or Rural Engineering with at least three (03) years of professional experience in the domain of civil construction or similar works. (Attached: certified copy of certificate, CV, attestation of presentation of original of the technical diploma, an attestation of availability sign by candidate and a certified copy of ID card)

Other support staff or semi-skilled workers

- 02 (Two) builders with 3 years' professional experience on building construction or similar works. Only CVs signed by the candidates

**(d) The methodology of intervention and execution of work:**

The company will produce a technical note dated and signed on the last page providing information about:

- i. The mode of execution of the works.
- ii. The planning of intervention, the expected output.
- iii. The supply of materials or site equipment.
- iv. Measures of safety and protection of the environment.
- v. Administrative and technical organization of the enterprise.

**E) Self-financing capacity:**

An attestation of financial credibility issued by the same Bank as for the bid bond (access to a credit or of other financial facilities to ensure the gross margin of self-financing necessary for the duration of the contract.)

The available amount shall be at least more than or equal to amount required in the offer.

**7.4.1. Other criteria**

**7.4.2. Financial evaluation**

The financial evaluation shall be based on the corrected amount of the bid. It shall consist of the analysis of the coherence of prices as well as the amounts of the totals.

**8-Award of Contract**

Subject to the clause of article 99 of the present PCC, the Contracting authority will award the contract to the bidder whose offer has been recognized substantially responsive to the requirement of the Tender file and has submitted the lowest feasible evaluated bid price.

**9) Right of the Contracting authority to accept or reject any offer**

Notwithstanding article 102 of the present PCC, the Contracting authority reserves the right to cancel the tendering process at any time before the opening of the tenders, without incurring liability to the bidders affected by its decision, nor obligation to inform them of the reasons for its decision.

**10) Site Visit**

A site visit is recommended to participating companies in this Tender file.

**11) Period of validity of tenders**

The period of validity of the tender is 90 days from the date of deposition of the offers.

**12) Performance guarantee**

Within fifteen (15) days from the date of notification of the contract, the contractor shall provide a guarantee of three percent (3%) of the amount of the contract (all taxes inclusive), to ensure full implementation.

**13) COMMENCEMENT OF WORK:**

Before the commencement of work, the contractor shall be installed on the site by the following:

- The Contracting Authority- Lord Mayor of Elak Council;
- Control engineer- MINTP,
- The Project Manager- CDO;
- The divisional delegate of MINMAP or his representative.
- The Divisional Delegate of Environment or his representative;
- The Divisional Delegate of MINEPAT or his representative;
- The Divisional Delegate of MINDDEVEL or his representative;

- 8.3 Administrative Orders for suspension or resumption of work as a result of the weather or any other case of force majeure shall be signed by the Contracting Authority and notified by his services to the contractor with a copy to the Project Owner, Contract Manager, Contract Engineer and Project Manager.
- 8.4 Administrative Orders prescribing works necessary to remedy disorders which could appear on structures during the guarantee period and not related to normal usage shall be signed by the Contract Manager upon the proposal of the Contract Engineer and notified to the contractor by the Control Engineer.

- 8.5 The contractor has a time-limit of fifteen (15) days to issue reservations on any Administrative Order received. Having reservations shall not free the enterprise of executing the Administrative Order received.
- 8.6 Concerning Administrative Order signed by the Contracting Authority and notified by the Project Owner, the notification must be done within a maximum of 30 days from the date of transmission by the Contracting Authority to the Project Manager. Beyond this deadline, the Contracting Authority shall establish the default of the Project Owner, take over from him and carry out the said notification.

#### **ARTICLE 9: CONTRACTS WITH CONDITIONAL PHASES (ARTICLE 9 OF GAC)**

- 9.1 *[Specify if the contract has one or several phases]*  
At the end of a phase, the Project Owner shall carry out the acceptance of the works and issue an attestation of proper execution to the contractor. This attestation shall condition the start of the following conditional phase.
- 9.2 The time-limit granted for notification of the Administrative Order to start execution of a conditional phase shall be *[to be specified]*.

#### **ARTICLE 10: CONTRACTOR'S EQUIPMENT AND PERSONNEL (Article 15 of GAC supplemented)**

- 10.1 Any modification, even partial, made in the technical bid shall only occur after the written approval of the Contract Manager. In case of modification, the contractor shall have the personnel replaced by a staff of equal competence (qualifications and experiences).
- 10.2 In any case, the list of supervisory staff to be used shall be subject to the approval of the Project Owner in the days following notification of the Administrative Order to start execution. The Project Manager has **Seven (06) days** to notify his opinion in writing with a copy sent to the Contract Manager. Beyond this time-limit, the staff list shall be considered as approved.
- 10.3 Any unilateral modification on the supervisory staff made in the technical bid prior to and during the works shall be a reason for termination of the jobbing order as mentioned in article 45 below or the application of penalties *[to be specified where need be]*.

### **CHAPTER 2: FINANCIAL CONDITIONS**

#### **ARTICLE 11 GUARANTEES AND BONDS (Articles 29 and 41 of GAC)**

##### **11.1 Final bond**

The final bond shall be set at **2 %** of the amount of the contract, inclusive of all taxes.

It is constituted and transmitted to the Contracting Authority within a maximum deadline of twenty (20) days of the notification of the contract.

The bond shall be returned or the guarantee released within one month following the date of provisional acceptance of the works, following a release issued by the Contracting Authority upon request by the contractor.

##### **11.2 Performance bond (Guarantee Retention)**

The retention fund shall be set at **10 %** of the amount of the contract, inclusive of all taxes.

The return or release of the retention fund or security shall be done within one month after final acceptance by release issued by the Contracting Authority upon request by the contractor.

##### **11.3 Guarantee of start-off advance**

The contractor may be granted a start-off amount of 20% of the contract amount (inclusive of taxes) upon request. The start-off payment shall be guaranteed at 100% by a Cameroonian bank recognized by the Ministry in charge of Finance.

#### **ARTICLE 12: AMOUNT OF THE CONTRACT**

The amount of this contract as indicated by the attached *[detail or estimates]* is \_\_\_\_\_ (in figures) \_\_\_\_\_ (in letters) CFA francs Inclusive of All Taxes; that is:

- Amount exclusive of VAT: \_\_\_\_\_ ( ) CFA F
- Amount of VAT: \_\_\_\_\_ ( ) CFA F.
- Amount of AIR \_\_\_\_\_ CFA F
- Net to be paid= EVAT- AIR

#### **ARTICLE 13: PLACE AND METHOD OF PAYMENT**

The Project Owner shall release the sums due in the following manner:

- a. For payments in CFA francs (*amount in figures and letters exclusive of taxes*) by credit to account No. \_\_\_\_\_ opened in the name of the contractor in the \_\_\_\_\_ bank.
- b. For payments in foreign currencies (*amount in figures and letters exclusive of taxes*) by credit to account No. \_\_\_\_\_ opened in the name of the contractor in \_\_\_\_\_ bank.

#### **ARTICLE 14: PRICE VARIATION (Article 20 of GAC)**

Prices shall be firm and not subject to any price revision.

- a. Payments on account made to the contractors advances shall not be revisable.
  - b. Revision shall be "frozen" upon expiry of the contractual time-limit, except in the case of price reductions.
- 1.1 Price updating modalities (not applicable)

#### **ARTICLE 15: EVALUATION OF WORK DONE**

The work done shall be evaluated using the unit price.

#### **ARTICLE 16: ADVANCES (article 28 of the GAC)**

- 16.1 The Contracting Authority *may* grant a start-off advance *equal to 20% of the amount of the contract*.
- 16.2 This advance whose value cannot exceed twenty (20) percent of the initial amount inclusive of all taxes shall be guaranteed at one hundred (100) percent by a banking establishment governed by Cameroon law or a first-rate financial institution in accordance with the instruments in force and reimbursed by deduction of the payments on accounts to be paid to the contractor during the execution of the contract according to the modalities laid down in the Special Administrative Conditions.
- 16.3 The total amount of the advance must be reimbursed not later than when the value in basic price of the works reaches eighty (80) percent of the amount of the contract.
- 16.4 As the reimbursement advances, the Project Owner shall issue the release of the corresponding part of the guarantee upon the express request by the contractor.
- 16.5 The possibility of granting start-off advance or advance for supplies must be expressly stipulated in the Tender File.

#### **Article 17: PAYMENT FOR WORKS (articles 26, 27 and 30 of the GAC supplemented)**

##### **17.1 Establishment of works executed**

Before the 30<sup>th</sup> of each month, the contractor and the Project Manager shall jointly establish a job cost sheet which summarises and fixes the quantities executed and established for each item on the schedule during the month and capable of giving entitlement to payment.

##### **17.2 Monthly detailed account**

No later than the fifth (5<sup>th</sup>) of the month following the month of the services, the contractor shall hand over to the Project Manager two draft provisional monthly detailed accounts in seven copies (one detailed account exclusive of VAT and the other inclusive of taxes), according to the agreed model and establishing the total amount of the sums to which he may lay claim as a result of the execution of the contract since the start of the contract.

Only the detailed account exclusive of VAT shall be paid to the contractor. The detailed account of the amount of the taxes shall be the subject of an entry into the budgets of the Ministry in charge of Finance

Only the amount exclusive of VAT shall be paid to the contractor as follows:

- [100-1.1 and/or - (7.5 or 15%)] paid directly into the account of the contractor;
- 1.1 % paid to the public treasury as AIR due by the contractor.
- 7.5% or 15% paid into the public treasury as TSR due by the contractor.

The Project Manager has a time-limit of seven (7) days to forward to the Contract Manager the detailed accounts he has approved.

The Contract Engineer has a maximum time-limit of twenty-one (21) days to forward the detailed accounts he approved such that they are in his possession not later than the twelfth of the month.

The Contract Manager has a deadline of fourteen (14) days maximum to sign the detailed accounts.

Payments shall be done by \_\_\_\_\_ within a maximum deadline of \_\_\_\_\_ calendar days from the date of submission of the approved detailed accounts.

##### **17.3 Detailed account of start-off account (if applicable).**

#### **ARTICLE 18: PENALTIES FOR DELAY**

##### **A. Penalties for lateness.**

##### **18.1 The amount set for penalties for delays is set as follows:**

- a) One two thousandth (1/2000th) of the initial jobbing order amount all taxes inclusive per calendar day of delay from the first (1st) to the thirtieth (30th) day beyond the contractual time-limit.
- b) One one thousandth (1/1000th) of the initial amount of the jobbing Order inclusive of all taxes per calendar day beyond the 30th day.

18.2 The cumulated amount of penalties for delay shall be limited to ten percent (10%) of the initial jobbing order inclusive of all taxes.

## **B. Specific penalties.**

18.3 Apart from penalties of overrun of the contractual deadlines, the contractor is liable to the following special penalties for the non-respect of the provisions of the contract. Notably:

- Late submission of final bond;
- Late submission of insurances;
- Late submission of the draft execution programme if the lateness is caused by the contractor.

### **ARTICLE 19: FINAL DETAILED ACCOUNT (article 34 of the GAC)**

19.1 [Indicate the time-limit available to the contractor to forward the draft to the Project Manager, after the date of provisional acceptance of the works (maximum 1 month)].

After completion of the works and within a maximum time-limit of **30 days** after the date of provisional acceptance, the contractor shall establish, based on joint reports, the draft final detailed account of works executed and which detailed account summarises the total sums to which the contractor may be entitled as a result of the execution of the whole contract.

19.2 [Indicate the time-limit available to the Contract Manager to notify the corrected and approved draft to the Project Manager (maximum one month)].

19.3 [Indicate the time-limit available to the contractor to return the signed final detailed account (maximum month)].

### **ARTICLE 20: GENERAL AND FINAL DETAILED ACCOUNT (article 35 of the GAC)**

20.1 The Contract Manager or the Project Manager has up to thirty (30) days to *establish the general detailed account and forward to the contractor after final acceptance.*

At the end of the guarantee period which results in the final acceptance of the works, the Contract Manager draws up the general and final detailed accounts of the contract which he has had signed jointly by the contractor and the Contracting Authority. This detailed account includes:

- The final detailed account,
- The balance
- The summary of monthly payments on account.

The signing of the general and final detailed account without reservation by the contract or definitely binds the two parties puts an end to the contract, except with regard to interest on overdue payments.

20.2 The contractor has up to thirty (30) days to return the signed final detailed account.

### **ARTICLE 21: TAX AND CUSTOMS SCHEDULE**

Decree No. 2003/651 of 16 April 2003 to lay down the conditions for implementing the tax regulations and customs procedures applicable to public contracts. The taxes applicable to this contract include notably:

- Taxes and dues relating to industrial and commercial projects, including the AIR which is a deduction on company taxes;
- Registration dues in accordance with the tax code;
- Dues and taxes attached to the execution of services provided for in the jobbing order;
- Duties and taxes of entry in to Cameroonian territory (customs duties, VAT, computer tax);
- Council dues and taxes;
- Dues and taxes relating to the execution of building materials and water.

These elements shall be included in the costs which the enterprise inputs on its running costs and constitute one of the elements of the sub-details of prices exclusive of taxes. All prices inclusive taxes mean VAT included.

### **ARTICLE 22: REGISTRATION AND STAMP DUTY**

Seven (7) original copies of the present jobbing order shall be stamped and registered at the expense of the contractor, in accordance with the applicable regulations.

## **CHAPTER III: EXECUTION OF THE WORKS**

### **ARTICLE 23: NATURE OF THE WORKS (article 46 of GAC)**

The works shall include especially: (position or volume of works)

*(To be specified cf. Special Technical Conditions)*

### **ARTICLE 24: ROLE AND RESPONSIBILITIES OF THE PROJECT OWNER (GAC supplemented)**

24.1 The Project Owner shall be bound to furnish the contractor with information necessary for the execution of his mission and to guarantee, at the cost of the contractor, access to sites of projects.

24.2 The Project Owner shall ensure the contractor of protection against threats, insults, violence, assault and battery, slander or defamation of which he could be victim by reason of or during the exercise of his mission.

## **ARTICLE 25: EXECUTION TIME-LIMIT OF THE CONTRACT (article 38 of the GAC)**

25.1 The time-limit for the execution of the works forming the subject of this contract shall be **one hundred and twenty (120) days**.

25.2 This time-limit shall run from the date of notification of the Administrative Order to commence execution of the works.

## **ARTICLE 26: ROLES AND RESPONSIBILITIES OF THE CONTRACTOR**

The contractor shall be responsible for the works for which he has been chosen. To this effect, his mission shall be to ensure its execution under the supervision of the Engineer in conformity with the regulation and standards in force and in respect to the work schedule. The contractor shall also be expected to carry out all the necessary calculations, chose and buy all machines, adequate materials etc. required for the work and engage suitable workers.

The contractor confirms that he has verified the volume of work to be executed and that he is reputed to have taken perfect cognizance of the scope of the works and the necessity for prompt action to request irrespective of whether he has to use his own equipment or hire equipment to execute the work. To this end, he cannot use any omission or under estimation of the works to make any claims of any nature whatsoever.

Removal of equipment, materials, installations and work site waste shall be carried out by the contractor before reception, failing which the Contracting Authority shall automatically proceed with it soon after the expiry date, at the contractor's expense.

## **ARTICLE 27: PROVISION OF DOCUMENTS AND SITE (article 42 of the GAC)**

A reproducible copy of the plans featuring in the Tender File shall be submitted by the Contract Manager. The Project Owner shall make available the site and access ways to the contractor at the appropriate time as the works progress.

## **ARTICLE 28: INSURANCE OF STRUCTURES AND CIVIL LIABILITIES (article 45 of GAC)**

The following insurance policies are required within the scope of this contract in the minimum amounts indicated hereafter within fifteen (15) days of the notification of the contract (to be adapted):

- Liability insurance, business manager;
- Comprehensive insurance of the site;
- Insurance covering its ten-year obligation, where applicable.

## **ARTICLE 29: DOCUMENTS TO BE FURNISHED BY THE CONTRACTOR (Article 49 of the GAC supplemented)**

[Specify the deadlines for the transmission of documents as well as those of approval by persons to be designated]

### **29.1 Programme of works, Quality Assurance Plan and others (to be specified).**

a) Within a minimum deadline of [Fifteen (15) days] from the date of notification of the Administrative Order to commence execution, the contractor shall submit in [six (6)] copies for the approval of [Contract Manager after the endorsement of the Project Manager (or Project Engineer)] the execution programme of the works, his supply calendar, his draft Quality Assurance Plan and the Environment Management Plan, where applicable.

This programme shall be exclusively presented according to the furnished models.

Two (2) copies of these documents will be returned to him within a deadline of fifteen (15) days from the date of reception with:

- Either the indication "GOOD FOR EXECUTION";
- Or the indication of their rejection including the reasons for the said rejection.

The contractor has eight (8) days to present a new draft. The Contract Manager or the Project Manager then has a deadline of five (5) days to give his approval or possibly make comments. Delay in approving the draft execution schedule shall stay the execution deadline.

The approval given by the Contract Manager or Project Manager does not in any way release the contractor of his responsibilities. Meanwhile, works executed before the approval of the programme shall neither be ascertained nor paid for. The updated and approved schedule will become the contractual schedule.

The contractor shall constantly update on site, a schedule that will take account of real progress of the site. Significant modifications may only be made on the contractual programme upon receiving the approval of the Project Manager. After approval of the execution schedule by the Contract Manager, the latter shall transmit it within five (5) days to the Contracting Authority without staying its execution. However, if important modifications alter the objective of the contract or the nature of the works, the Contracting Authority shall

return the execution schedule accompanied by reservations to be lifted within fifteen (15) days of the date of reception.

- b) The Environment Management Plan should bring out notably the choice technical conditions of the site and basic life, conditions of the backfill of the extraction sites and conditions for reinstating the works and installation sites.
- c) The contractor shall indicate in this schedule the equipment and methods which he intends to use as well as the personnel he intends to employ.
- d) The approval granted by the Contract Manager or Project Manager shall in no way diminish the responsibility of the contractor with regard to the harmful consequences which their implementation may cause both towards third parties and the respect of clauses of the contract.

#### **29.2 Execution draft**

- a) The execution plan documents (*calculations and drawings*) necessary for the realisation of all the parts of the structure must be submitted for the endorsement of the [Contract Manager or Project Manager] at most one month (*specify the duration which must not exceed one month*) prior to the date provided for the commencement of execution of the corresponding part of the structure.
- b) The Contract Manager or Project Manager has a deadline of *fifteen (15) days* to examine and make known his observations. The contractor then has a deadline of [*eight days*] to present a new file including the said observations.

**29.3** In case of the non-observance of the approval deadlines of the above documents by the Administration, these documents shall be deemed to have been approved.

#### **ARTICLE 30: ORGANISATION AND SAFETY OF SITES (article 50 of the GAC)**

30.1 Signboards at the beginning and end of each section must be placed within a maximum deadline of **(01) one month** after the notification of the Administrative Order to commence work.

30.2 The contractor shall respect all standard safety measures during the execution and shall clear the site upon completion of the works

#### **ARTICLE 31: IMPLEMENTATION OF STRUCTURES**

31.1 The engineer shall within a maximum of fifteen (06) days following the date of notification of the service order to commence work, make himself available to the contractor for the setting out of the structures

**31.2 Commencement of work:** Before the commencement of work, the authorizing officer shall convene an enlarged site meeting with the following in attendance:

- The Contracting authority .....Chairman
- Control Engineer DD MINH DU BUI,.....Secretary
- The Divisional Delegate of MINMAP or his representative,.....Observer
- The Divisional Delegate of Environment and Nature protection....Member
- The Divisional Delegate of MINDDDEVEL or his representative .....Member
- The Project Manager (CDO);.....Member
- The Divisional Delegate of MINEPAT or his representative;.....member
- The Contractor or his Representatives. ....Member

#### **ARTICLE 32: SUB-CONTRACTING**

This jobbing order may give rise to sub-contracts or subsidiary orders with a maximum accord of 30% of the initial jobbing order amount.

However, any recourse to sub-contractors or placing of subsidiary orders shall be subject to the prior authorization of the Contracting Authority. Notwithstanding the recourse to sub-contracting or placing of subsidiary orders, the contracting partner shall be responsible for the execution of all the obligation of the said contract.

#### **ARTICLE 33: WORKS SITE JOURNAL (LOG BOOKS)**

33.1 The worksite journal shall be systematically jointly signed by the Engineer and the Contractor representative each site visit.

33.2 It is a joint document in a single copy. Its pages shall be numbered and initialled. No page should be removed. The erased or cancelled parts shall be mentioned on the margin for validation.

#### **Article 34: Use of explosives (article 60 of the GAC)**

Subject to restrictions or prohibitions possibly stipulated in the SAC, the contractor must take under his responsibility, all the necessary precautions so that the use of explosives is not dangerous to the personnel and third parties and does not cause damage to neighbouring property and structures as well as to the structure forming the subject of the contracting.

## CHAPTER IV: ACCEPTANCE

### ARTICLE 35: PROVISIONAL ACCEPTANCE (article 67 of the GAC)

#### 36.1 PRE- ACCEPTANCE OPERATIONS

Before the acceptance of the works the contractor shall ask in writing to the control Engineer, to organize a technical visit for pre-acceptance. This visit shall include the following operations.

- Qualitative and quantitative evaluations of the different works that have been executed.
- Findings and statement of the unexecuted task envisaged in the present jobbing order.
- Findings relative to the completion of the work
- Findings on the quantity of works that have been effectively realized

These operations shall be subject to a site report drawn up on the field, signed by the following.

- The Control Engineer..... (Secretary)
- The Contractor or his Representative..... (Member)
- The Project Manager .....(Member)

During this pre-reception, the engineer shall eventually specify the reserves to be lifted and the corresponding works to be effected before the reception. The Engineer shall fix the reception date in collaboration with the chief of service for the contract.

**35.2 Acceptance** The contractor shall request the Authorizing officer in writing, to schedule and call for the provisional acceptance of the works. The report (minutes) of the Pre- Acceptance shall be attached to the said request. The Authorizing officer shall then fix the date of acceptance in collaboration with the contract Engineer and call for the task by a letter of invitation

The acceptance commission shall comprise:

- Contracting Authority..... (Chairman)
- Control Engineer,..... (Secretary)
- The Divisional Delegate of MINMAP or his representative,.....(Observer)
- The Project Manager;..... (Member)
- The DD MINDDEVEL BUI.....(Member)
- The Contractor or his Representative. ....(Member)

The commission shall examine the report of the pre-acceptance and shall proceed to the acceptance. An acceptance report (process - verbal) of the works shall be prepared by the Engineer and sign by all the commission members.

Of the works shall be prepared by the Contract Engineer and signed by all the commission members on the site.

### ARTICLE 36: DOCUMENTS TO BE FURNISHED AFTER EXECUTION

36.1 The contractor shall furnish within **one (1) month** after completion of the works three (3) copies of all working documents and drawings as executed, especially those relevant to the maintenance of the works.

36.2 A penalty of 30% of the guarantee retention shall be retained in the event where the contractor fails to comply with Article 34.1 above.

### ARTICLE 37: GUARANTEE TIME LIMITS

The guarantee period shall be **one (1) year** to run from the date of the provisional reception of the works.

### ARTICLE 38: FINAL ACCEPTANCE

Final reception shall take place within a maximum deadline of fifteen (15) days from the date of expiry of the guarantee period.

The procedure for final reception shall be the same as for provisional reception.

## CHAPTER V: MISCELLANEOUS PROVISIONS

### ARTICLE 39: TERMINATION OF THE CONTRACT (article 74 of the GAC)

The jobbing order may be terminated as provided for in Article 182 of Decree No. 2018/366 of 20 JUNE 2018 instituting the Public Contracts Code and equally under the conditions laid down in Articles 74, 75 and 76 of the GAC especially in case of:

- Delay of more than fifteen (15) days in the execution of a Service Order or unjustified stoppage of more than seven (7) calendar days;
- Delay in work resulting in penalties of more than 10% of the amount of the works;
- Refusal to repeat poorly executed works;
- Default by the contractor;
- Persistent on payment for services.

**ARTICLE 40: FORCE MAJEURE (Unforeseen Circumstances)**

If the contractor were to raise the issue of force majeure, the thresholds below which claims shall not be admitted are:

- Rainfall: 200 millimetres in 24 hours;
- Wind: 40 metres per second;
- Flood: decennial flood frequency.

**ARTICLE 41: DISAGREEMENTS AND DISPUTES (article 79 of the GAC)**

Disagreements and disputes resulting from the execution of this contract may be settled amicably.

Where no amicable solution can be found for a disagreement, it is brought before the competent court in Bui Division of the Republic of Cameroon

**ARTICLE 42: DIFFERENCES AND DISPUTES**

Any dispute arising from this jobbing order shall be resolved amicably. Failure to arrive at a compromise, the matter shall be referred to the competent court in Bui Division of the Republic of Cameroon.

**ARTICLE 43: PRODUCTION AND DISSEMINATION OF THIS CONTRACT**

Ten (10) copies of the Contract shall be produced at the cost of the contractor and submitted to the contract manager.

**ARTICLE 44 AND LAST: ENTRY INTO FORCE OF THIS CONTRACT.**

This jobbing order shall be regarded as finally concluded after its signature by the Lord Mayor of Elak Council and it shall only come into force after it has been notified to the Contractor

**DOCUMENT N<sup>o</sup>. 5**  
**SPECIAL TECHNICAL CONDITIONS (STC)**

# **TECHNICAL SPECIFICATIONS**

## **GENERALITIES**

- Lot 100: Preliminary works
- Lot 200: DEMOLITION WORKS
- Lot 300: MASONARY AND WOODWORK
- Lot 400: TILLING
- Lot 500: ROOFING/CEILING WORK
- Lot 600: DOORS/WINDOWS AND ACCESSORIES
- Lot 700: METALLIC WORKS
- Lot 800: PAINTING
- Lot 900: PLUMBING/SANITARY WORKS
- Lot 1000: ELECTRICITY

**INTRODUCTION:** This technical specification has to do with the rehabilitation of the Ichir Integrated Health Centre in Elak Municipality, Bui Division of the North West Region of Cameroon. It establishes the teams and the conditions necessary for the effective execution of the said job descriptions. It gives more information and explanation of the construction plan, so it must be seen as complementary. The rehabilitation works shall be carried out according to the arts of all building trades involved. The craftsmen and tradesmen involved must have been properly trained in theory and in practice and ought to have some experience. So the specifications are summary of essential elements and must be put into use. No builder should modify the specifications or the plan without the approval of the owner and the architect. If that occurs, the builder is liable to prosecution especially should any part of the building fail due to design. It is a guide to ensure optimum output and as such, those executing the project will be charged with the responsibility of understanding all the conditions spelt out in this document and to execute without exception or reservations, all the various tasks as defined in conformity with the art of his profession and even those not mentioned here that are deemed necessary to attend the said objectives

## **TECHNICAL CONDITIONS FOR EXECUTION**

- 1) **PRELIMINARY WORKS:** It shall consist the cleaning of the site and surroundings, the cleaning drainage network and putting up of the signboard.
- 2) **EXECUTION PLANS:** It is the duty of the contractor to realize the execution plans that shall be approved by the control Engineer.
- 3) **INSTALLATION OF WORKSITE:** The contractor shall furnish the owner of the job within the shortest possible time with an installation plan showing clearly how he intends to run the site.
- 4) **PROTECTION OF STRUCTURES AND MATERIALS:** The contractor shall be responsible for the protection of the structures before final reception. He shall be equally responsible for all tools and materials present at the work site. He shall seek insurance cover for theft and fire.
- 5) **PRECAUTION AGAINST ACCIDENTS:** The contractor shall take all preventive measures against accidents. The owner of the job reserves the right to intervene in case of emergency without necessary interfering with responsibility of the contractor.
- 6) **VERIFICATION OF DIMENSIONS:** The contractor shall verify all dimensions on the plans. For execution no dimension shall be measured with a scale ruler from the plan

The contractor shall check in situ the possibility of translating the dimensions on plans to the structure before works begin. He shall refer to the Control Engineer in case of any doubt. He shall not on his own modify anything on the structure and shall inform the Control Engineer of all changes that he considers necessary. All modifications accepted by the contractor shall be accomplished in a specified duration and at his cost without modification of the contract amount. The owner of the job shall have the right to final choice in any modification.

- 7) **ERRORS AND OMISSIONS IN THE DOCUMENTS:** The descriptions complete or confirm the indications on plans. In the case of contradictions between the plans and the description contact the Control Engineer for examination.

**MODE OF EXECUTION OF WORKS - Site Preparation:** The vegetable soil shall be cleared off. Excavation and leveling shall be cleared off. Excavation and leveling shall be carried out normally using dig axes, spades and sledge hammer. The depth of the area to carry the pillars shall be in accordance to the other existing pillars. - **Excavation:** - The foundation shall be excavated to obtain the hard soil where it shall resist and to bear the stone work foundation. The stone foundation shall also bear the reinforced concrete pillars with reinforced concrete bases.

- (a) **CONCRETE** - Ordinary concrete, specifically lean shall be 0.05 thick and laid all round the excavated pillar footing before the casting is carried out dosed at 150 kg/m<sup>3</sup>. - Over-site, concrete shall be 0.05 thick laid over the entire floors and paved at the walk way. - Reinforced concrete, specifically for pillars and their mixture shall in the proportion 350kg/m<sup>3</sup>. **NOTE:** Reinforced Rod Tables. No **STRUCTURE SIZES MAIN REINFORCE MENT**  $\phi$  **SIRRUP Spacing CONCRETE MIX TYPE** Nos Tors  $\phi$  1 Veranda Pillars 30x15 6 8mm 6mm 20cm 350kg/ m<sup>3</sup> Fe-E- 40 - Sand: Will be free from oxide, organic material of animals or plant origin. Sieving shall vary from 0.08 – 2.5mm for mortar and other resisting surfaces like concrete structure shall vary from 0.16 – 5mm. It shall be river sand and nothing else. - Aggregate shall consist of crush stones. Tiny layer of grave (dust) shall be removed through blowing or washing. - Water: To be used for mixture mortar, concrete and aggregate washing must be free from impurities and salts. - Cement: To be used mostly for cement mortar, concrete shall satisfy the general conditions laid down by regulation in force. It will be CPJ325 Portland cement type from CIMENCAM or its equivalent and shall not show any trace of mixture. Storage on the building site shall be done on dry and ventilated floor. Any stock presenting an unsatisfactory condition will be discarded and cleared immediately. - Reinforcement: Shall be of mild steel and Tor Steel in accordance with R/C & rules. The steel shall be perfectly clean without any trace of rust, non-adhesive, without any paint or grease. It shall be held firmly in place while the concrete is placed. The concrete cover shall not be less than 25mm in all cases. - Shuttering: Hard wood to bear without any noticeable distortion the load and pressure of concrete, the effect of vibration and weight of workers involved in the setting up.
- (b) **MASONRY** - Blocks: Load bearing wall shall be mounted in compressed cement blocks of 15X20X40 of PC300kg/m<sup>3</sup> (at most 33 blocks per bag of cement). Blocks should show an appreciate degree of resistance to violent pressure. All blocks shall be cured for 28 days before being used if need be for. - **Plastering:** Cement mortar mix in proportions of 400kg/m<sup>3</sup> will be used to plaster all previously rejoined areas where masonry work has been done; and then thinly floated and the use of sponge is recommended to remove any unevenness. It shall be apply on the masonry. - **Screed:** a layer of ordinary concrete slap shall be spread on 0.08 over-site floor and finished with

the floor screed of +5mm dosed at 400kg/m<sup>3</sup> thick. - External door: All the external main door having incorporated windows will be filled with the cement blocks 15x20x40. (c) ROOF - Trusses: Shall compose of single rafter of 0.05x0.15 and spaced at 2.00m interval. These rafters will be solidly attached to masonry works with the help of standby pillarirons also spaced at 2.00m; - Purlins: Shall consist of 0.05x0.08 timbers. All structural timber shall be treated with carbonyl. The timber for the roof work will be of good quality, with straight grains and free of any defect. - Roofing sheets: shall be in high rib sheets 3m long and 5/10 otherwise advised by the control engineer. The sheet shall be fixed on purlins using sheet nails equipped with gaskets and bituminous rubbers. - Facial board: shall be 40cm wide and of aluminum gutter sheets with lining for all the building. - Ceiling: will be made of 4mm plywood sheets fastened on a joist in lath 4cm thick by 8cm wide and treated with carbonyl. The spaces for ceiling joist panel will be 0.60x1.20 in size. Eaves shall be of "tôles lisses" and equipped with wire mesh for ventilation holes.

- (d) JOINERY - Doors: All doors will be made of forged iron single metal door fitted on metallic frame chocked with rich concrete in the wall. Size: 1.20 x 2.50 Frames. Windows: Sliding windows shall be used at the as well as wooden with glass shutters shall be replaced as the need may arise and as deemed by the beneficiary in compliance with the engineer. - ORIENTATION DESK AND WAITING ROOM The orientation desk goes down to the landing. The waiting room replaces the mails office and the mails office goes back to the Secretariat. The former orientation desk will therefore free the wall for it to fully play distribution role will be restructure of the following manner: The separation wall as indicated shall be executed with well treated hard wood with the glass windows of 1.10m height on the all length of the wall
- (e) ELECTRICITY - Cables of 2.5mm<sup>2</sup> will be run under 11mm plastic sheath power outlet and switches embedded in walls. - Lighting equipment will consist of lamp holders and bulbs fitted inside and outside on the veranda. Model of lamps shall be of high quality fluorescent. Generally, electrifying will be carried out in conformity with the rules and instructions of norms in force.
- (f) PLUMBING AND SANITATION The contractor shall keep to all norms of installing sanitary appliances and all the piping works to have gentle slopes to carry away smoothly all foul and waste water from the building. All plumbing accessories shall be of good quality and approved by the engineer and owner.
