NOTICE FILE TENDER NO 02 /NOTN/ C.BYGAM /SIGAMP/CIPM/2026 04 AOUT 2026

For the construction work of a 2.5x3 reinforced concrete culvert on the 2.5km section of the Sock-Panche communal road and a 2x2 culvert on the 2.5km section of the Bayangam-Famla I intercommunal road with access improvements, in the commune of Bayangam, in the Department of Koung-Khi, West Region, (Following the Gre a Gre Procedure)
Funding: FUNDS ROALAND – FINANCIAL YEAR 2026

1. Purpose of the Invitation to Tender

The Mayor of the Commune of Bayangam, Contracting Authority and Delegated Project Owner, launches on behalf of the Republic of Cameroon represented by the Minister of Public Works (Project Owner); an consultation file, for the execution of maintenance works and construction of a 2.5x3 reinforced concrete culvert on the Sock-Panche communal road section to be opened over 2.5km and a 2x2 culvert on the Bayangam-Famla I intercommunal road section with access development over 2.5km, in the commune of Bayangam, in the Department of Koung-Khi, West Region.

2. Financing

The works covered by this Invitation to Tender will be financed inclusive of all taxes from the Budget of the funds router Financial Year 2026 .

3. Scope of work

The work will consist of the maintenance of the section (Installations, Cleaning and earthworks, Roadway and shoulders, drainage and sanitation structure, Engineering structure, Signage and equipment and Miscellaneous.) using High Intensity Equipment (HIEQ) techniques with a High Intensity Labor (HIMO) component when this approach is technically feasible and economically profitable, guaranteeing decent jobs in order to ensure the maximum economic benefits of the project for the surrounding populations. The characteristic quantities of work are given in the context of the detailed quantity and estimate (DQE) attached to this file.

This work is subdivided into two (02) main groups as follows :

Group 1: manual work,

(To be carried out using HIMO methods)

- o Construction of V-shaped masonry ditches measuring 80x50
- o Reinforced concrete for concrete drainage channels plus paving slabs,
- o Construction of a culvert with a reinforced concrete head.
- o Paint,
- o Masonry wall,
- o Maintaining traffic flow.

Group 2: mechanized work using HIEQ (High Intensity Equipment)

- o Site installation;
- o Bringing in and withdrawing;
- o Backfill;
- o Opening of the track;
- o Clearance;
- o Purges;
- o Shaping including opening of ditches and outlet;
- o Wearing course in lateritic gravel;
- o Water bed deviation.

The route in question is grouped into a single (01) lot of work as presented below:

Construction work for a 2.5x3 reinforced concrete culvert on the Sock-Panche communal road section to

The estimated cost, including all taxes, of all the work planned in this National Open Tender is **Two Hundred Million CFA Francs (200,000,000 CFA francs)**.

4. Participation and origin

Participation in this Invitation to Tender is open to all companies under Cameroonian law established in Cameroon and operating in the field of Building and Public Works.

5. Review of the Tender Documents

The Tender Dossier can be consulted on working days and hours at the Procurement Department of the Commune of Bayangam, located within the premises of the Municipal Circle of Bayangam, from the date of publication of this notice.

6. Acquisition of the Tender Documents

The Tender Dossier can be obtained on working days and hours from the Unit in charge of markets of the Commune of Bayangam, from the date of publication of this notice upon presentation of a receipt for payment of the sum of **One Hundred and Fifty Thousand (150,000) CFA Francs** non-refundable for the cost of purchasing the file, **payable to the Municipal Revenue Office of the Town Hall of Bayangam**.

This receipt must identify the payer as the representative of the company wishing to participate in the Call for Tenders.

7. Provisional guarantee :

Offers must be accompanied by a provisional guarantee established according to the model indicated in the Tender Document by a first-tier banking institution approved by the Minister in charge of finance and in an amount equal to **Two million CFA francs (2,000,000 CFA francs)**.

The provisional guarantee will be released within thirty (30) days of the award of the contract to unsuccessful bidders, and no later than thirty (30) days after the expiry of the bid validity period. For the successful bidder, the provisional guarantee will be released upon establishment of the final guarantee.

8- Submission of bids:

Each offer, written in French or English in seven (07) copies, including one (01) original and six (06) copies marked as such, must be submitted in a sealed envelope against receipt to the Mayor of Bayangam's office (Procurement Department), no later than 27 AOUT 2026 at 11 noon sharp, and must bear the following inscription:

" NOTICE FILE TENDER NO 02 /NOTN/ C.BYGAM /SIGAMP/CIPM/2026" 04 AOUT 2026
du _____ for the execution of the construction work of a 2.5x3 reinforced concrete culvert on the Sock-Panche communal road section to be opened over 2.5km and a 2x2 culvert on the Bayangam-Famla I intercommunal road section with development of access over 2.5km, in the Commune of Bayangam, in the Department of Koung-Khi, Western Region. (Following The Gre a Gre Procedure)

Funding: FUNDS ROALAND, Fiscal year 2026.

Single Lot

"To be opened only during the vote counting session"

9. Admissibility of bids

Offers received after the submission date and time will be declared inadmissible at the opening.

10. Opening the folds

The opening of bids will take place on 27 AOUT 2026 at 12 sharp, local time by the competent Procurement Commission under the Mayor of Bayangam, in the meeting room set up for this purpose. Only bidders may attend this opening session or be represented by a person of their choice with a thorough knowledge of the case.

The evaluation of the bids will take place in three stages:

Step 1 : Verification of the conformity of each bidder's administrative file.

Step 2 : Technical evaluation of administratively compliant bids

Step 3 : Verification of the financial offers of the companies whose technical offers have been selected.

11. Execution time

The maximum execution period provided by the Project Owner for the completion of the works is four (04) months.

12. Main disqualifying criteria

Administrative Documents

a) Absence of the original bid bond at the opening of the bids issued by a first-category financial institution authorized by the Ministry in charge of Finance to issue bonds in the context of public procurement;
